Financial Workshops

Child care available for most evening workshops.
Check website for availability.
Registration is required for each child.

Exploring My Financial Future– Design your future money picture and discover methods to bring your personal goals to life.

Budgeting on a Small Income– Gain control of your money by creating a useful plan. Make your money stretch further and tap into resources to fill budget shortfalls.

Thoughtful Money Management -Comfortable with basic budgeting? Come to this workshop and evaluate how your spending behavior aligns with your values, increase control and gather easy tips and tricks for thoughtful money management.

Organizing for Financial Management– Don't let paperwork take over your life. Learn how to design and successfully manage your own personal paper trail.

Communicating for Financial Health– Leave this workshop feeling prepared and confident to have healthy financial conversations. Learn your rights under the Fair Debt Collection Practices Act.

Building a Banking Relationship– Learn how financial institutions can serve as a tool to help you reach your financial goals. Leave this workshop knowing how to effectively establish, re-establish or end banking relationships.

Investing Basics– Discover how to get started investing, even with small amounts of money. Learn the ins -and-outs of taxes, insurance and various types of retirement plans and investment vehicles.

Credit Reporting, **Know the Facts! -**Learn how credit really works and ways to improve your credit profile.

Be Informed, Borrow Smart– Explore the rules of borrowing money wisely. Through greater understanding of the terms and conditions associated with borrowing, we position ourselves to use borrowing to help us achieve our financial dreams without weighing us down.

Pathway out of Debt– This is a hands-on workshop for people who have debt. You will need to bring or have access to details about the debts that you have. Such as interest rates, due dates, total balances, etc. You will leave with tools and resources to help you tackle your debt.

Financial Study Hall– *This is a free-style workshop that YOU design! During Financial Study Hall, you have supported, dedicated time to work on your budget, track expenses, review your credit report, create plans to reduce debt, and more! Financial Instructors are available to answer questions and provide guidance as you need. Bring your own materials and take advantage of this time to move towards your version of financial success.*
