TAX INFORMATION

TAXES PAID IN FULL MUST BE PAID BY April 30th.

Taxes may be paid in two equal payments. To avoid interest, the first half must be paid by February 28th; the second half must be paid by June 17th. State law requires that taxes totaling less than \$25.00 be paid in full no later than April 30th.

HOW TAXES ARE DETERMINED

Individual taxes are determined by mill levies (tax rates) set after annual public budget hearings held by school boards, county commissioners, city councils, and other special districts. These taxing authorities determine what their needs are and then divide by the total assessed value of the district to arrive at a mill levy. For example, if the new budget is \$30,000 and the assessed value is \$3,000,000, the mill levy would be \$10 per thousand dollars of assessed value or 10 mills. Certain restrictions in the Colorado Constitution as amended in 1992 and Colorado Revised Statutes limit local government spending and the amount of property tax that can be collected.

Individual property taxes are calculated by multiplying the assessed value by the total mill levy for that tax area. For example, if your property assessment is \$23,880, and your tax area has a levy of \$83 dollars per thousand dollars of assessed value, your tax bill would be \$1,982.04.

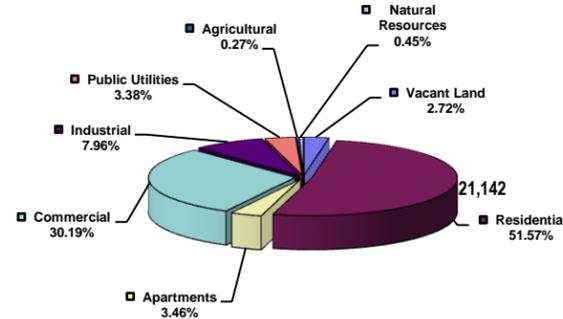

1. $\$83/\$1,000 = .083$ (MILL LEVY)
2. $\$23,880 \times .083 = \$1,982.04$ (TAX DUE)

ASSESSED VALUE X MILL LEVY = TAXES

ASSESSMENT INFORMATION

For 2013-2014, property is appraised at the 2012 level of actual value. The Colorado Legislature sets the assessment rate for residential property. The residential rate is 7.96% for 2014. All other property is assessed at 29%.

2015 ASSESSMENT APPEALS

Notices of valuation are mailed May 1 to all land and building owners whose values change. The Assessor hears objections concerning land and building valuation beginning May 1 and concluding June 1. Business personal property notices of valuation are mailed by June 15.

If your 2015 valuation varies significantly from what you feel your property was worth in June 2014, please notify us. We are always willing to answer questions pertaining to property assessments.

Our goal is equalization of assessments so that the burden of taxes may be distributed as fairly and equally as the law allows.

SCHOOL TAX IS LEVIED BY SCHOOL BOARDS.
COUNTY TAX IS LEVIED BY COUNTY COMMISSIONERS. CITY AND TOWN TAX IS LEVIED BY CITY AND TOWN COUNCILS.

2014 taxes become due January 1, 2015

CERTIFICATION TO TAXING AUTHORITIES

The Assessor certifies, each year in August, the total assessed value of all properties within the boundaries of each Taxing Authority. Taxing Authorities use these figures to determine such information as the amount of revenue that can be generated from the taxable property within its boundary, the maximum revenue and spending increase over the prior year's revenue and spending, and the mill levy needed to generate the desired revenue for their annual budget.

Once the projected expenses have been determined and the budget is finalized at a public hearing, revenue must be generated to fund the expenses.

Most taxing entities receive some of their revenue from property tax. The data provided by assessors is essential to this process.
