

Hand Washing Procedure

- Moisten hands with warm water.
- Apply liquid soap.
- Rub hands together for 10-20 seconds.
- Rinse hands under running water.
- Dry hands with a clean, disposable paper towel or air dry with a blower.
- Use the paper towel to turn off the faucet.
- Throw the used paper towel into a trashcan.

Additional information:

- Antibacterial soap is not needed
- Hand sanitizers/wipes are not to be used in place of hand washing and cannot be used with children under 3 years of age.
