

**Healthy Futures Coalition- Partnering to Reduce Substance Abuse
Boulder County**

Vision: Boulder County is a thriving community of youth and adults making choices not to abuse substances.

Mission: Prevent and reduce youth substance use, adult substance abuse and harmful impacts of the community by collectively mobilizing resources and partnerships throughout Boulder County to create informed and healthy community attitudes towards drugs and alcohol.

Collective Impact: Common agenda; continuous communication; backbone support; mutually-reinforcing activities; shared measurement systems.

Meeting Minutes

Wednesday, September 14, 2016

- 1) Introductions and partner updates
- 2) Healthy Kids Colorado Survey 2015 Data Presentation:
 - BCPH guest presenter, Namino Glantz gave a power point data overview.
 - The presentation included focus on substance use for both middle school and high schoolers in BVSD. Note- BVSD surveys 7th-12th graders, not 6th graders.
 - This data helps inform our prevention grants as well as our HFC strategic/action planning.
 - Marnie will share the power point slides with HFC.
- 3) BCPH's Patty Brezovar- Naloxone training & overview:
 - Patty gave the coalition an overview of BCPH's 'Works' program as a harm reduction model.
 - Naloxone can reverse heroin or opiate overdose, including prescription opiates like OxyContin. It is now available without a prescription at several local pharmacies throughout Boulder County.
 - BoulderCountyWorks.org
