

ENVIRONMENTAL HEALTH DIVISION
FEES FOR ONSITE WASTEWATER SYSTEM PERMITS
January 2013

Type of Permit	Fee
New system serving one property	\$ 1,023.00
Major Repair to existing system	\$ 1,023.00
Minor Repair to existing systems (includes vaults & tanks)	\$ 1,023.00
Property Transfer Certificate	\$50.00

Fees for new or major repair permits include the following inspections:

- 1 site inspection
- 1 open hole inspection, if necessary
- 1 final inspection
- 1 re-final, if necessary
- 1 house connect or lift station check, if necessary

Additional inspections, if necessary, will be charged on an hourly basis at \$56.00 per hour. If a change in plans or specifications occurs after the permit has been released, an hourly fee will be charged to review the new plans and conduct appropriate site visits.

Boulder County Public Health OWS Sliding Fee Scale

Households may be eligible for an adjusted OWS fee based on USDA Rural Development Low to Moderate Income levels.
