Every family is unique—with different family members, different cultures and values, and different needs. We are fortunate in Boulder County to have several prenatal/early childhood home visitation programs that fit the needs of families in different ways. Please contact any program for assistance or more information. Any door is the right door. All programs provide services in Spanish and English.

### Community Infant Program
- **PROVIDER**: Parent-infant Psychotherapist, Nurse
- **GOOD MATCH**: Parents experiencing mood difficulties (anxiety, depression), are overwhelmed, have moderate levels of family conflict, and need more skills for coping with emotional dysregulation
- **DESCRIPTION**: In-home visits from a parent-infant psychotherapist and nurse who partner with families around their specific needs, including learning skills for positive parenting, healthy nutrition and feeding practices; communication skills between family members; addressing depression, anxiety and past trauma; and reading baby’s cues
- **CONTACT**: 303-661-0433 BoulderCountyHealth.org

### Children with Special Needs
- **PROVIDER**: Nurse
- **GOOD MATCH**: Parents whose child was born early, has special healthcare needs, or a traumatic brain injury
- **DESCRIPTION**: In-home visits from a nurse who helps monitor infant development; helps parents understand special health care needs and treatment choices, find local services, and navigate the health care system
- **CONTACT**: 303-678-6137 BoulderCountyHealth.org

### Nurse-Family Partnership
- **PROVIDER**: Maternal and Child Health Nurse
- **GOOD MATCH**: First time mothers who earn less than 200% of the Federal Poverty Level
