2.1 Except as stated herein, no party shall agree with any landowner, or other person or entity, to allow Development on the TDR Sending Sites or the TDR Receiving Sites which does not comply with this Agreement. Boulder County agrees that approval of any proposed Development on the TDR Receiving Sites within or contiguous to the LPA shall be subject to review and approval by the City.

2.2 The City and Boulder County agree to adopt their own procedures, plans, policies, ordinances, or other regulations to implement and enforce the provisions of this Agreement, and to give the other party notice to comment on the same.

2.3 This Agreement shall not restrict the City's authority to annex property, or regulate the use and Development on any annexed property or other property within its boundaries, according to Colorado law, the Longmont Municipal Charter, and Longmont Municipal Code, as amended from time to time.

2.4 This Agreement shall not restrict Boulder County's ability, under its regulations, to approve receiving sites outside the LPA, and to approve Development on receiving sites outside and not contiguous to the LPA.

## **3 TDR Sending Sites**

3.1 The Parties agree that all land within the TDR Sending Sites shall be eligible to participate in Boulder County's transferred development rights planned unit development program.

## **4 TDR Receiving Sites**

4.1 The Parties agree that all land within the TDR Receiving Sites shall be eligible to

participate in Boulder County's transferred development rights planned unit development program.

4.2 Upon confirmation by Boulder County that the land is within the TDR Sending Sites, and after Boulder County's issuance and recordation of its certificate(s) of development rights, according to its regulations, Boulder County and the City may jointly approve the location of Development represented by the certificate(s) of development rights upon land within the TDR Receiving Sites located within or contiguous to the LPA.

4.3 Boulder County and the City, either individually or collectively, upon acquisition of certificate(s) of development rights from land within the TDR Sending Sites, shall have the right to market those rights to others who may seek Development within the TDR Receiving Sites.

4.4 Approval by the County of a final plat on a TDR Receiving Site shall be subject to the following City requirements:

The developer shall design and construct all off-site and on-site sewer lines at its own expense and shall pay to the City the required system development fees for each tap before any individual building permit is issued.

C. The City shall review all final plans and approve construction plans required to comply with City standards or conditions of approval specified by the City Council.

D. All adjacent arterial and collector street rights-of-way, as identified by the City, shall be dedicated on the final plat to the City or County, as jurisdiction is appropriate, and, where applicable, the developer's share of street improvements and applicable costs associated with the right-of-way frontages, including landscaping improvements, shall be paid to the City prior to recordation of the final plat.

E. The final plat shall contain a notice to lot owners that the City reserves the right to require annexation of the property in the future, as a requirement of the provision of City sewer service.

F. The developer shall be required to execute a development agreement setting forth the specific requirements for the provision of public utilities and payment of fees.

G. The City Council in its sole discretion may determine to waive compliance with any requirement set forth in sub-paragraph A above with respect to a specific development, which waiver shall be evidenced by in the development agreement.

5.2 Within the LPA, Boulder County shall obtain conservation easements on land participating in the Boulder County transfer development rights planned unit development program, and shall require the easements to be granted to Boulder County and the City jointly. The conservation easements shall require that such lands remain open, but may provide for other

recreational uses beyond those permitted under paragraph 5.1 above, as may be agreed by Boulder County and the City at the time such easements are granted. Upon the annexation by the City of any land within the LPA upon which a conservation easement has been obtained pursuant to this Agreement, Boulder County shall forthwith deed to the City its interest in the conservation easement.

However, either party may terminate this Agreement, at any time and for any reason, upon one year written notice to the other party. The City and Boulder County agree that termination shall not affect the validity of conservation easements, nor Development approvals, that may occur during the term of this Agreement.

## **7 Defense of Claims**

Defense costs shall be paid by the party providing such defense. extent permitted by law, indemnify the City for the amount of said judgment. Nothing contained in this Agreement shall constitute any waiver by the City or Boulder County of the provisions of the Colorado Governmental Immunity Act or other applicable immunity defense. This provision shall survive termination of this Agreement, and be enforceable until all claims are precluded by statutes of limitation.
