Referral Agencies

The planner at your pre-application conference will go through this list and identify which entities will be sent a referral request. If the line in front of the entity is marked “Email,” then that entity will be sent an email referral request and a hard copy packet is not required to be submitted; otherwise a hard copy referral packet for that agency is required to be submitted to the Land Use Department as part of the application. See the publication titled Referral Packet Guidelines for directions on creating referral packets.
