

BEFORE THE BOARD OF COUNTY COMMISSIONERS  
OF BOULDER COUNTY, STATE OF COLORADO

**RESOLUTION NO. 2004 – 86\***

A RESOLUTION DESCRIBING A PROPOSAL FOR THE IMPOSITION OF AN ADDITIONAL 0.10% COUNTY-WIDE SALES AND USE TAX, DECLINING TO 0.05% AFTER DECEMBER 31, 2024; FOR THE ISSUANCE OF OPEN SPACE CAPITAL IMPROVEMENT TRUST FUND BONDS THROUGH A MULTIPLE-FISCAL YEAR COMMITMENT OF REVENUES FROM SUCH TAX AND FROM OTHER OPEN SPACE SALES AND USE TAX REVENUES, GENERAL FUND MONEYS AND OTHER LEGALLY AVAILABLE FUNDS; AND FOR THE APPROVAL OF A VOTER-APPROVED REVENUE CHANGE.

\*As revised and readopted on September 7, 2004 by Resolution No. 2004-102.

WHEREAS, Article 2, Title 29, Colorado Revised Statutes, (hereinafter the "Article") as amended, provides for the imposition of a county-wide sales and use tax upon approval of a majority of the registered electors of the County voting on such question; and

WHEREAS, on August 31, 1993, the Board of County Commissioners adopted Resolution 93-174, proposing and placing on the 1993 off-year (special) election ballot the approval of a 0.25% county-wide sales and use tax and issuance of open space sales and use tax revenue bonds, the proceeds of said tax and bonds to be spent in accordance with the terms of said Resolution to acquire, improve, manage and maintain open space lands and other open space property interests; and

WHEREAS, the voters of the County of Boulder (also referred to herein as "Boulder County" or the "County") approved the County-wide sales and use tax and bonds proposal described in said Resolution 93-174, and said County-wide sales and use tax and the revenue bonds issued in connection therewith have been collected and the revenues therefrom expended in accordance with the terms of said Resolution; and

WHEREAS, the goals of the 1993 County-wide open space sales and use tax and bond proposal, as stated in Resolution 93-174, have not as yet been fully realized, in that there are numerous lands and areas for which property interests should be acquired in order to create trails and open space buffers for communities, protect wildlife habitat and preserve important agricultural lands; and

WHEREAS, there remains a critical need for the preservation of open space lands in Boulder County, preserved open space being a fundamental shared value of the citizens of Boulder County, which open space lands can be used for purposes including but not limited to buffers to preserve

community identity, natural areas, wildlife habitat and wetlands, preservation of agricultural uses, allow continuation of existing visual corridors and offer passive recreational use through the development of a County-wide trail system, and therefore there is a critical need for County-wide sales and use taxes to finance the acquisition, limited improvement and maintenance of said lands; and

WHEREAS, the proceeds of the open space bonds approved by the voters in November, 2000, will likely be expended or committed by January 1, 2005, and without additional funding sources, no additional uncommitted acquisitions could take place until approximately calendar year 2010; and

WHEREAS, it is more cost-effective to purchase lands now rather than wait until additional revenues are realized from currently approved sources, since the price inflation of land costs is several times greater than the financing costs through tax-exempt bonds; and

WHEREAS, the imposition of an additional County-wide sales and use tax effective (a) January 1, 2005 to and including December 31, 2024, at the rate of 0.10%, with revenues to be expended for open space acquisition and improvement, management and maintenance and for repayment of capital improvement trust fund bonds for open space acquisition and improvement, in accordance with the purposes set forth in Resolution No. 93-174, with a minimum of 10% of the revenues to be expended for management and maintenance over and above the amount committed to such purposes in the absence of these revenues, and (b) after December 31, 2024, at the rate of 0.05%, with revenues to be expended for open space management and maintenance in accordance with the purposes set forth in Resolution No. 93-174, is a cost-effective method of obtaining additional revenues which can used for said purposes; and

WHEREAS, due to the immediacy of the need, open space capital improvement trust fund bonds as authorized by law in a maximum principal amount of \$60,00,000 should be issued in order to allow such acquisitions and improvements to take place as soon as possible, said revenue bonds to be repaid through a multiple-fiscal year commitment of revenues received from the additional County-wide sales and use tax proposed herein, and, to the extent moneys from such tax are not sufficient, moneys transferred to the Boulder County Open Space Capital Improvement Trust Fund from surplus amounts from certain other open space sales and use tax revenues, the County's general fund and other legally available funds; and

WHEREAS, due to the revenue limitations contained in Colo. Const., Art. X, Section 20, even where the voters of the County have approved such a sales and use tax, and the issuance of revenue bonds, the uneven flow of revenues of such taxes and bonds and the earnings from such tax and bond revenues from year to year, could cause significant problems in the funding and provision of County programs and services in any future year; therefore, it is necessary to obtain a voter-approved revenue change; and

WHEREAS, this Board finds that (a) the imposition of an additional County-wide sales and use tax at the rate of 0.10% to be effective from January 1, 2005 to and including December 31, 2024 and at the rate of .05% thereafter, with revenues of such sales and to be utilized for open space

purposes in accordance with the provisions of Resolution 93-174, (b) the issuance of up to \$60,000,000 in open space capital improvement trust fund bonds, and (c) the exemption of such tax revenues, bond proceeds and the interest thereon from the fiscal year spending limitations of Colo. Const., Art. X, Section 20, would permit additional revenues to be utilized now to further accomplish Boulder County's open space goals while lands are still undeveloped and at lower cost to the public than if acquisition were postponed to future years; and

WHEREAS, the Article provides for the submission of such a County-wide sales and use tax proposal to the registered electors of the County at a general election scheduled within 120 days after adoption of such resolution; and

WHEREAS, Boulder County, with voter approval, is statutorily authorized by Part 5, Article 26, Title 30, Colorado Revised Statutes, as amended, to issue bonds to finance open space acquisitions and improvements, and to repay those bonds from any revenue source available to the County; and

WHEREAS, the Board of County Commissioners of the County of Boulder, State of Colorado, desires to refer to the registered electors of the County of Boulder, State of Colorado, to be determined by a majority voting thereon, the question of whether such taxes, bonds and voter-approved revenue change shall be approved or disapproved; and

WHEREAS, a general election is scheduled within no more than 120 days from the date of adoption of this resolution, for November 2, 2004; and

WHEREAS, the Article provides that the County Clerk and Recorder shall publish the text of such tax proposal four separate times, a week apart, in the official newspaper of the County and of each city and incorporated town within the County; and

WHEREAS, Colo. Const., Art. X, Section 20(3)(b), requires certain election notices to be mailed to all registered voters of the County; and

WHEREAS, Articles 1 to 13, Title 1, Colorado Revised Statutes, as amended, requires that certain additional election notices be published or posted as provided therein, and

WHEREAS, the Article provides that the proposal shall contain certain provisions concerning the amount, levying and scope of said tax.

NOW, THEREFORE, BE IT RESOLVED THAT there shall be referred to the registered electors of the County of Boulder at the general election to be held on Tuesday, November 2, 2004, the following proposal:

1. THAT a County-wide sales tax is imposed in accordance with the provisions of the Article at the rate one tenth of one percent (0.10%) to and including December 31, 2024, and at the rate of one twentieth of one percent (0.05%) thereafter, on the sale of tangible personal property at retail or the furnishing of services in the County of Boulder as provided in Paragraph (d) of

Subsection (1) of Section 29-2-105, Colorado Revised Statutes, as amended, and as is more fully hereinafter set forth. For the purposes of this sales tax proposal, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to a destination outside the limits of the County of Boulder or to a common carrier for delivery to a destination outside the limits of the County of Boulder. The gross receipts from such sales shall include delivery charges when such charges are subject to the state sales and use tax imposed by Article 26 of Title 39, Colorado Revised Statutes, as amended, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the County of Boulder or has more than one place of business, the place or places at which the retail sales are consummated for the purpose of a sales tax imposed by this proposal shall be determined by the provisions of Article 26 of Title 39, Colorado Revised Statutes, as amended, and by rules and regulations promulgated by the Department of Revenue. The amount subject to tax shall not include the amount of any sales or use tax imposed by Article 26 of Title 39, Colorado Revised Statutes, as amended. The tangible personal property and services taxable pursuant to this proposal shall be the same as the tangible personal property and services taxable pursuant to Section 39-26-104, Colorado Revised Statutes, as amended, and subject to the same sales tax exemptions as those specified in Part 7, Article 26, Title 39, Colorado Revised Statutes, as amended, and further subject to the exemption for sales of food specified in Section 39-26-707(1)(e), Colorado Revised Statutes, as amended, the exemption for purchases of machinery and machine tools specified in Section 39-26-709(1), Colorado Revised Statutes, as amended, and the exemption of sales and purchases of those items in Section 39-26-715(1)(a)(II), Colorado Revised Statutes, as amended. All sales of personal property on which a specific ownership tax has been paid or is payable shall be exempt from the sales tax imposed by the County of Boulder when such sales meet both of the following conditions:

(a) The purchaser is a non-resident of or has his principal place of business outside of the County of Boulder; and

(b) Such personal property is registered or required to be registered outside the limits of the County of Boulder under the laws of the State of Colorado.

The County-wide sales tax shall not apply to the sale of construction and building materials, as the term is used in Section 29-2-109, Colorado Revised Statutes, as amended, if such materials are picked up by the purchaser and if the purchaser of such materials presents to the retailer a building permit or other documentation acceptable to the County evidencing that a local use tax has been paid or is required to be paid.

The County-wide sales tax will not apply to the sale of tangible personal property at retail or the furnishing of services if the transaction was previously subjected to a sales or use tax lawfully imposed on the purchaser or user by another statutory or home rule county equal to or in excess of that sought to be imposed by the County of Boulder. A credit shall be granted against the sales tax imposed by the County of Boulder with respect to such transaction equal in amount to the lawfully imposed local sales or use tax previously paid by the purchaser or user to the previous statutory or home rule county. The amount of the credit shall not exceed the sales tax imposed by the County of

Boulder.

The County-wide sales tax imposed shall be collected, administered and enforced by the Executive Director of the Department of Revenue in the same manner as the collection, administration and enforcement of the Colorado State sales tax, as provided by Article 26 of Title 39, Colorado Revised Statutes, as amended.

2. THAT a County-wide use tax is imposed in accordance with the provisions of the Article at the rate one tenth of one percent (0.10%) to and including December 31, 2024, and at the rate of one twentieth of one percent (0.05%) thereafter, for the privilege of using or consuming in the County of Boulder any construction and building materials purchased at retail and for the privilege of storing, using, or consuming in the County of Boulder any motor and other vehicles, purchased at retail on which registration is required. The use tax shall not apply:

(a) To the storage, use, or consumption of any tangible personal property the sale of which is subject to a retail sales tax imposed by the County of Boulder;

(b) To the storage, use, or consumption of any tangible personal property purchased for resale in the County of Boulder either in its original form or as an ingredient of a manufactured or compounded product, in the regular course of a business;

(c) To the storage, use, or consumption of tangible personal property brought into the County of Boulder by a non-resident thereof for his own storage, use, or consumption while temporarily within the County; however, this exemption does not apply to the storage, use, or consumption of tangible personal property brought into this state by a non-resident to be used in the conduct of a business in this state;

(d) To the storage, use, or consumption of tangible personal property by the United States government, or the State of Colorado, or its institutions, or its political subdivisions in their governmental capacities only or by religious or charitable corporations in the conduct of their regular religious or charitable functions;

(e) To the storage, use, or consumption of tangible personal property by a person engaged in the business of manufacturing or compounding for sale, profit, or use any article, substance, or commodity, which tangible personal property enters into the processing of or becomes an ingredient or component part of the product or service which is manufactured, compounded, or furnished and the container, label, or the furnished shipping case thereof;

(f) To the storage, use, or consumption of any article of tangible personal property the sale or use of which has already been subjected to a legally imposed sales or use tax of another statutory or home rule county equal to or in excess of that imposed by the County of Boulder. A credit shall be granted against the use tax imposed by the County of Boulder with respect to a person's storage, use, or consumption in the County of Boulder of tangible personal property purchased in another statutory or home rule county. The amount of the credit shall be equal to the tax paid by the person by reason of the imposition of a sales

or use tax of the other statutory or home rule county on the purchase or use of the property. The amount of the credit shall not exceed the tax imposed by this resolution;

(g) To the storage, use, or consumption of tangible personal property and household effects acquired outside of the County of Boulder and brought into it by a non-resident acquiring residency;

(h) To the storage or use of a motor vehicle if the owner is or was, at the time of purchase, a non-resident of the County of Boulder and he purchased the vehicle outside of the County of Boulder for use outside of the County of Boulder and actually so used it for a substantial and primary purpose for which it was acquired and he registered, titled, and licensed said motor vehicle outside of the County of Boulder;

(i) To the storage, use or consumption of any construction and building materials and motor and other vehicles on which registration is required if a written contract for the purchase thereof was entered into prior to January 1, 2005; and

(j) To the storage, use or consumption of any construction and building materials required or made necessary in the performance of any construction contract bid, let, or entered into any time prior to January 1, 2005.

3. THAT except as provided by Section 39-26-208, Colorado Revised Statutes, as amended, any use tax imposed shall be collected, enforced and administered by the County of Boulder. The use tax on construction and building materials will be collected by the County building inspector or as may be otherwise provided by intergovernmental agreement, based upon an estimate of building and construction materials costs submitted by the owner or contractor at the time a building permit application is made.

4. THAT, if the majority of the registered electors voting thereon vote for approval of this County-wide sales and use tax proposal, such additional County-wide sales and use tax shall be effective on January 1, 2005 throughout the incorporated and unincorporated portions of the County of Boulder up to and including December 31, 2024 at the rate of 0.10%, and thereafter, shall continue to be effective throughout the incorporated and unincorporated portions of the County of Boulder at the rate of 0.05%.

5. THAT, if the majority of the registered electors voting thereon vote for approval of this proposal, the Board of County Commissioners may issue up to \$60,000,000 maximum principal amount, net of any premium, of open space capital improvement trust fund bonds payable from moneys transferred to the Boulder County Open Space Capital Improvement Trust Fund from revenues from the County's sales and use tax proposed herein, and to the extent revenues from such tax are not sufficient for the repayment of such bonds, from moneys deposited in the County's Open Space Sales and Use Tax Capital Improvement Fund Surplus Account from the revenues of the County's 0.25% open space sales and use tax authorized by Resolution No. 93-174, the County's existing 0.10% open space sales and use tax, the County's conservation trust fund, the County's general fund and other legally available funds, in such amount as is necessary to pay the debt service

on the bonds and to otherwise comply with the covenants of the bond issuance resolution or other instruments governing such bonds; and

6. THAT the cost of the election shall be paid from the general fund of the County of Boulder.

7. THAT the County Clerk and Recorder shall publish the text of this sales and use tax proposal four separate times, a week apart, in accordance with the Article, in the official newspaper of the County of Boulder and each city and incorporated town within this County.

8. THAT the County Clerk and Recorder, as election officer, shall undertake all measures necessary to comply with the election provisions set forth in Colo. Const., Art. X, Section 20(3), including but not limited to the mailing of required election notices and ballot issue summaries by the date required for such mailing.

9. THAT the election shall be conducted as a coordinated election within the County in accordance with Articles 1 to 13, Title 1, Colorado Revised Statutes, as amended (the "Uniform Election Code"), and the conduct of the election shall conform so far as is practicable to the general election laws of the State of Colorado.

10. THAT, the County Clerk and Recorder shall timely post and publish all notices required by the Uniform Election Code, including, without limitation, those notices required by Sections 1-5-205 and 1-7-908, Colorado Revised Statutes, as amended.

11 THAT the net revenues received by the County of Boulder from the imposition of the sales and use tax proposed herein during the period from the effectiveness thereof to and including December 31, 2024, as well as the net proceeds from the issuance of the open space capital improvement trust fund bonds proposed herein, shall be expended by the County of Boulder for the following purposes:

Open space land, for the purposes of this resolution, is generally described as: those lands in which it has been determined by the Board of County Commissioners that it is, or may in the future be, within the public interest to acquire an interest in order to assure their protection and to fulfill one or more of the functions described below. Interests acquired may include fee simple, lease, easements, development rights and conservation easements.

Open space shall serve one or more of the following functions:

Once acquired, open space may be used only for passive recreational purposes, for agricultural purposes, or for environmental preservation purposes, all as set forth above.

12. THAT the Board of County Commissioners will annually consult the City Councils and Town Boards of the municipalities within Boulder County to assure that open space preservation and trail projects identified by municipalities are considered in setting county open space acquisition and trail development priorities for the following calendar year.

13. THAT no open space land acquired through the revenues provided by this sales and use tax may be sold, leased, traded, or otherwise conveyed, nor may any exclusive license or permit on such open space land be given, until approval of such disposal by the Board of County Commissioners. Prior to such disposal, the proposed shall be reviewed by the Parks and Open Space Advisory Committee, and a recommendation shall be forwarded to the Board of County Commissioners. Approval of the disposal may be given only by a majority vote of the members of the Board of County Commissioners after a public hearing held with notice published at least ten (10) days in advance in the official newspaper of the County and of each city and incorporated town within the County, giving the location of the land in question and the intended disposal thereof. No such open space land shall be disposed of until sixty (60) days following the date of Board of County Commissioners' approval of such disposal. If, within such sixty (60) day period, a petition meeting the requirements of §29-2-104, C.R.S., as amended, or its successor statute, is filed with the County Clerk, requesting that such disposal be submitted to a vote of the electors, such disposal shall not become effective until a referendum held in accordance with said statute has been held. The provisions of this paragraph shall not apply to agricultural leases for crop or grazing purposes for a term of ten (10) years or less.

14. If the real property or any interest therein acquired by use of proceeds of said sales and use tax pursuant to paragraph 11 of this resolution be ever sold, exchanged, transferred or

otherwise disposed of, the consideration for such sale, exchange, transfer or disposition shall be subject to the same expenditure and use restrictions as those set forth herein for the original proceeds of said sales and use tax, including restrictions set forth in this paragraph; and if such consideration is by its nature incapable of being subject to the restrictions set forth herein, then the proposed sale, exchange, transfer or disposition shall be unlawful and shall not be made.

15. THAT the County of Boulder will not use any of the revenues received from the sales and use tax to acquire an interest, other than an option, in open space land within the community service area of a municipality as designated and recognized by action of the Board of County Commissioners in accordance with the Boulder County Comprehensive Plan or as provided in an intergovernmental agreement with such municipality, without the concurrence of the municipality involved.

16. THAT revenue generated from activities on open space lands may be used to acquire, and improve open space properties.

17. THAT additional open space capital improvement trust fund revenue bonds may be issued in the aggregate principal amount of \$60,000,000, the proceeds of which shall be used for the purposes and in accordance with the limitations of this resolution, for the repayment of which the monies deposited in the open space capital improvement trust fund shall be pledged, and that, if this ballot measure is approved by a majority of the voters voting thereon, the Board of County Commissioners shall adopt a resolution authorizing the bonds and setting the terms thereof, such bonds being issued in accordance with part 5 of article 26 of title 30, C.R.S., as amended.

18. THAT interest generated from the revenues of the sales and use tax shall be used for the purposes set forth in this resolution.

19. THAT, for purposes of Colo. Const., Art. X, Section 20, the receipt and expenditure of revenues of the sales and use tax and of the revenue bonds and refunding bonds, if any, together with earnings on the investment of the proceeds of the tax and bonds, shall constitute a voter-approved revenue change.

20. THAT, upon the effective date of the County-wide sales and use tax proposed herein, the County-wide total sales and use tax rate of 0.65%, when added to state and municipal sales and use tax rates existing as of the date hereof which are non-exempt under the provisions of Section 29-2-108, C.R.S., as amended, results in a total sales and use tax rate in excess of the 6.91 percent limit stated in said statute as follows: Boulder: 6.96%, food service 7.11 %; Erie: 7.05%; Lafayette: 7.05%; Louisville: 6.925%; Nederland: 7.30%; Superior 7.01%. Should both this proposal and the contemporaneous proposal for an additional county-wide sales and use tax for wildfire prevention and suppression be approved by voters, the total municipal sales tax rates stated herein would be increased by an additional 0.03%.

21. THAT if any provision of this resolution or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this resolution which can be given effect without the invalid provision or applications and to this end, the

provisions of this resolution are declared to be severable.

22. THAT the proposal as described in this Resolution shall take effect immediately upon the approval of the electorate.

23. THAT a 0.05% portion of the County-wide sales and use tax proposed herein shall expire at 12:00 a.m. on January 1, 2025, and all monies remaining in any of the Funds stated herein derived therefrom may continue to be expended for the purposes set forth herein until completely exhausted, with the remaining 0.05% portion thereof remaining in effect in perpetuity.

24. THAT a notice of the adoption of this County-wide sales and use tax proposal by a majority of the registered electors voting thereon shall forthwith be submitted by the County Clerk and Recorder to the Executive Director of the Department of Revenue, together with a certified copy of this Resolution.

25. THAT this issue is hereby referred to the Board of County Commissioners of Boulder County for action to set a ballot title for this issue and certify the same to the County Clerk and Recorder no later than September 8, 2004.

IT IS HEREBY DECLARED by the Board of County Commissioners of the County of Boulder and State of Colorado that this resolution is necessary for the immediate preservation of the public health, safety and welfare, and that it shall become effective immediately upon its adoption.
