RESOLUTION NO. 93-174

A RESOLUTION DESCRIBING A PROPOSAL FOR THE IMPOSITION OF A COUNTY-WIDE SALES AND USE TAX; PROVIDING FOR THE CREATION OF A CAPITAL IMPROVEMENT FUND FOR THE DEPOSIT OF SUCH SALES AND USE TAXES THEREIN; CALLING A SPECIAL ELECTION FOR THE APPROVAL OF SUCH PROPOSAL, THE ISSUANCE OF REVENUE BONDS IN CONNECTION THERewith, AND AUTHORITY TO SPEND ALL OF THE PROCEEDS OF THE BONDS AND THE SALES AND USE TAXES.

WHEREAS, Article 7, Title 29, Colorado Revised Statutes, as amended, provides for the imposition of a county-wide sales and use tax upon approval of a majority of the registered electors of the County voting on such question and

WHEREAS, said Article provides for the submission of such sales tax and use tax proposal to the registered electors of the County at an election called by resolution of the Board of County Commissioners; and Section 104 (3) of said Article provides that if no general election is scheduled within 120 days after adoption of such resolution, the Board of County Commissioners shall submit the sales and use tax proposal to the registered electors at a special election called for the purpose to be held not less than 30 nor more than 90 days after the adoption of such resolution; and

WHEREAS, the Board of County Commissioners of the County of Boulder, State of Colorado, desires to refer to the registered electors of the County of Boulder, State of Colorado, to be determined by a majority voting thereon, the question of whether such taxes shall be approved or disapproved; and

WHEREAS, there is a critical need for the preservation of open space lands in Boulder County, preserved open space being a fundamental shared value of the citizens of Boulder County, which open space lands can be used for purposes including but not limited to buffers to preserve community identity, natural areas, wildlife habitat and wetlands, allow continuation of existing visual corridors and offer passive recreational use through the development of a county-wide trail system, and therefore there is a critical need for county-wide sales and use taxes to finance the acquisition and limited development of said lands; and

WHEREAS, due to the immediacy of the need, revenue bonds as authorized by said Article should be issued in order to allow such acquisitions and improvements to take place as soon as possible; and

WHEREAS, due to the revenue limitations contained in Colo. Const., Art. X, Section 20, even where the voters of the County have approved such a sales tax and use tax, the uneven flow of revenues of such taxes from year to year could cause significant
problems in the funding and provision of County programs and services in any future year; therefore, it is necessary to obtain the approval of the voters to remove said revenues, the revenues of authorized bonds, and the expenditures thereof from the accounting required under said constitutional provision, and it is in the best interests of the citizens of Boulder County that the full revenues collected in the form of the said sales and use tax and remitted to the County of Boulder during 1994 and each subsequent year be received and expended without limiting the amount of other revenues that may be received and spent by the County of Boulder; and

WHEREAS, pursuant to said Article as affected by Colo. Const., Art. X, Section 20(3)(a), a special election shall be scheduled within no fewer than 90 days nor more than 90 days from the date of adoption of this resolution, for November 2, 1993; and

WHEREAS, the said Article provides that the County Clerk and Recorder shall publish the text of such tax proposal four separate times, a week apart, in the official newspaper of the County and of each city and incorporated town within the County; and

WHEREAS, Colo. Const., Art. X, Section 20(3)(b), requires certain election notices to be mailed to all registered voters of the County; and

WHEREAS, the said Article provides that the proposal shall contain certain provisions concerning the amount, levying and scope of said tax.

NOW, THEREFORE, BE IT RESOLVED that there shall be referred to the registered electors of the County of Boulder at a special election to be held on Tuesday, November 2, 1993, the following proposal:

1. THAT a county-wide one quarter of one percent (0.25%) sales tax in accordance with the provisions of Article 2, Title 29, Colorado Revised Statutes, as amended, is hereby imposed on the sale of tangible personal property at retail or the furnishing of services in the County of Boulder as provided in Paragraph (d) of Subsection (1) of Section 29-2-105, Colorado Revised Statutes, as amended, and as is more fully hereinafter set forth. For the purposes of this sales tax proposal, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to a destination outside the limits of the County of Boulder or to a common carrier for delivery to a destination outside the limits of the County of Boulder. The gross receipts from such sales shall include delivery charges when such charges are subject to the state sales and use tax imposed by Article 26 of Title 39, Colorado Revised Statutes, as amended, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the County of Boulder or has more than one
place of business, the place or places at which the retail sales are consummated for the purpose of a sales tax imposed by this proposal shall be determined by the provisions of Article 26 of Title 39, Colorado Revised Statutes, as amended, and by rules and regulations promulgated by the Department of Revenue. The amount subject to tax shall not include the amount of any sales or use tax imposed by Article 25 or Title 39, Colorado Revised Statutes, as amended. The tangible personal property and services taxable pursuant to this proposal shall be the same as the tangible personal property and services taxable pursuant to Section 39-26-104, Colorado Revised Statutes, as amended, and subject to the same exemptions as those specified in Section 39-26-114, Colorado Revised Statutes, as amended, and further subject to the exemption for sales of food specified in Section 39-26-114(1)(a)(XX), Colorado Revised Statutes, as amended, the exemption for purchases of machinery and machine tools specified in Section 39-26-114(11), Colorado Revised Statutes, as amended, and the exemption of sales and purchases of those items in Section 39-26-114(1)(a)(XXI), Colorado Revised Statutes, as amended. All sales of personal property on which a specific ownership tax has been paid or is payable shall be exempt from the sales tax imposed by the County of Boulder when such sales meet both of the following conditions:

(a) The purchaser is a non-resident of or has his principal place of business outside of the County of Boulder; and

(b) Such personal property is registered or required to be registered outside the limits of the County of Boulder under the laws of the State of Colorado.

The county-wide sales tax shall not apply to the sale of construction and building materials, as the term is used in Section 29-2-109, Colorado Revised Statutes, as amended, if such materials are picked up by the purchaser or if the purchaser of such material presents to the retailer a building permit or other documentation acceptable to the County evidencing that a local use tax has been paid or is required to be paid.

The county-wide sales tax will not apply to the sale of tangible personal property at retail or the furnishing of services if the transaction was previously subjected to a sales or use tax lawfully imposed on the purchaser or user by another statutory or home rule county equal to or in excess of that sought to be imposed by the County of Boulder. A credit shall be granted against the sales tax imposed by the County of Boulder with respect to such transaction equal in amount to the lawfully imposed local sales or use tax previously paid by the purchaser or user to the previous statutory or home rule county. The amount of the credit shall not exceed the sales tax imposed by the County of Boulder.

The sales tax imposed shall be collected, administered and enforced by the Executive Director of the Department of Revenue in the same manner as the collection, administration and enforcement
of the Colorado State sales tax, as provided by Article 26 of Title 39, Colorado Revised Statutes, as amended.

2. THAT a County-wide one quarter of one percent (0.25%) use tax in accordance with the provisions of Article 2, Title 26 Colorado Revised Statutes, as amended is hereby imposed for the privilege of using or consuming in the County of Boulder any construction and building materials purchased at retail and for the privilege of storing, using, or consuming in the County of Boulder any motor and other vehicles, purchased at retail on which registration is required. The tax shall not apply:

(a) To the storage, use, or consumption of any tangible personal property, the sale of which is subject to a retail sales tax imposed by the County of Boulder;

(b) To the storage, use, or consumption of any tangible personal property purchased for resale in the County of Boulder either in its original form or as an ingredient of a manufactured or compounded product, in the regular course of a business;

(c) To the storage, use, or consumption of tangible personal property brought into the County of Boulder by a non-resident thereof for his own storage, use, or consumption while temporarily within the County; however, this exemption does not apply to the storage, use, or consumption of tangible personal property brought into this state by a non-resident to be used in the conduct of a business in this state;

(d) To the storage, use, or consumption of tangible personal property by the United States government, or the State of Colorado, or its institutions, or its political subdivisions in their governmental capacities only or by religious or charitable corporations in the conduct of their regular religious or charitable functions;

(e) To the storage, use, or consumption of tangible personal property by a person engaged in the business of manufacturing or compounding for sale, profit, or use any article, substance, or commodity, which tangible personal property enters into the processing of or becomes an ingredient or component part of the product or service which is manufactured, compounded, or furnished and the container, label, or the furnished shipping case thereof;

(f) To the storage, use, or consumption of any article of tangible personal property the sale or use of which has already been subjected to a legally imposed sales or use tax of another statutory or home rule county equal to or in excess of that imposed by the County of Boulder. A credit shall be granted against the use tax imposed by the County of Boulder with respect to a person’s storage, use, or consumption in the County of Boulder of tangible personal property purchased in another statutory or home rule
county. The amount of the credit shall be equal to the tax paid by
the person by reason of the imposition of a sales or use tax of the
other statutory or home rule county on the purchase or use of the
property. The amount of the credit shall not exceed the tax
imposed by this resolution;

(g) To the storage, use, or consumption of tangible personal
property and household effects acquired outside of the County of
Boulder and brought into it by a non-resident acquiring residency;

(h) To the storage or use of a motor vehicle if the owner is
or was, at the time of purchase, a non-resident of the County of
Boulder and he purchased the vehicle outside of the County of
Boulder for use outside of the County of Boulder and actually so
used it for a substantial and primary purpose for which it was
acquired and be registered, titled, and licensed said motor vehicle
outside of the County of Boulder;

(i) To the storage, use or consumption of any construction
and building materials and motor and other vehicles on which
registration is required if a written contract for the purchase
therof was entered into prior to the effective date of this use
tax resolution;

(j) To the storage, use or consumption of any construction
and building materials required or made necessary in the
performance of any construction contract bid, let, or entered into
any time prior to the effective date of this use tax resolution.

3. THAT except as provided by Section 39-26-208 and Section
39-26-304, Colorado Revised Statutes, as amended, any use tax
imposed shall be collected, enforced and administered by the County
of Boulder. The use tax on construction and building materials
will be collected by the County building inspector or as may be
otherwise provided by intergovernmental agreement, based upon an
estimate of building and construction materials costs submitted by
the owner or contractor at the time a building permit application
is made.

4. THAT if the majority of the qualified electors voting
thereon vote for approval of this County-wide sales and use tax
proposal, such County-wide sales and use tax shall be effective
throughout the incorporated and unincorporated portions of the
County of Boulder beginning January 1, 1994.

5. THAT the cost of the election shall be paid from the
general fund of the County of Boulder.

6. THAT the County Clerk and Recorder shall publish the text
of this sales and use tax proposal four separate times, a week
apart, in the official newspaper of the County of Boulder and each
city and incorporated town within this County.

8. THAT the conduct of the election shall conform so far as is practicable to the general election laws of the State of Colorado.

9. THAT the net proceeds from the sales and use tax received by the County of Boulder shall be expended by the County of Boulder for the following purposes:

trail projects identified by municipalities are considered in setting county open space acquisition and trail development priorities for the following calendar year.

11. The provisions of this paragraph shall not apply to agricultural leases for crop or grazing purposes for a term of ten (10) years or less.

12. If the real property or any interest therein acquired by use of proceeds of said sales and use tax pursuant to paragraph 9 of this resolution be ever sold, exchanged, transferred or otherwise disposed of, the consideration for such sale, exchange, transfer or disposition shall be subject to the same expenditure and use restrictions as those set forth herein for the original proceeds of said sales and use tax, including restrictions set forth in this paragraph; and if such consideration is by its nature incapable of being subject, then the proposed sale, exchange, transfer or disposition shall be unlawful and shall not be made.

13. THAT the County of Boulder will not use any of the revenues received from the sales and use tax to acquire an interest, other than an option, in open space land within the community service area of a municipality as designated and recognized by action of the Board of County Commissioners in accordance with the Boulder County Comprehensive Plan or as provided in an intergovernmental agreement with such municipality, without the concurrence of the municipality involved.

14. THAT revenue generated from activities on open space lands may be used to acquire, manage, patrol, improve and maintain open space properties.
15. THAT a special fund, to be known as the "Boulder County Open Space Sales and Use Tax Capital Improvement Fund" (the "Fund") shall be created and that at least ninety percent (90%) and up to one-hundred percent (100%) of total revenues may be pledged for capital improvement bonds and be deposited into the Fund, and that sales and use tax revenue "bonds" may be issued in the aggregate amount of $40 million, the proceeds of which shall be used for the purposes and in accordance with the limitations of this resolution, for the repayment of which the monies deposited in the Fund shall be pledged, and that 6.5% shall be the maximum net effective interest rate of the bonds and that, if this ballot measure is approved by a majority of the voters voting thereon, the Board of County Commissioners shall adopt a resolution authorizing the bonds and setting the terms thereof in accordance with the provisions of said Article, such bonds being issued under the authority of Section 25-2-412, C.R.S.

16. THAT a maximum of ten percent (10%) of total revenues may be deposited into a special fund, to be known as the "Boulder County Open Space Sales and Use Tax Operations and Maintenance Fund", and the monies deposited therein may be used to pay for operations and maintenance activities for any interest in open space lands owned by the County of Boulder.

17. THAT interest generated from the revenues of the sales and use tax shall be used for the purposes set forth in this resolution.

18. THAT, for purposes of Colo. Const., Art. X, Section 20, the receipt and expenditure of revenues of the sales and use tax and of the revenue bonds and refunding bonds, if any, shall be accounted for, budgeted, and appropriated separately from other revenues and expenditures of Boulder County and outside of the fiscal year spending of the County as calculated under Art. X, Section 20, and nothing in Art. X, Section 20, shall limit the receipt and expenditure in each fiscal year of the full amount of such revenues of the sales and use tax and the revenue and refunding bonds, nor shall receipt and expenditure of such revenues affect or limit the receipt or expenditure of any and all other revenues of Boulder County for any fiscal year.

19. THAT if any provision of this resolution or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this resolution which can be given effect without the invalid provision or applications and to this end, the provisions of this resolution are declared to be severable.

20. THAT the sales and use tax shall expire at 12:00 a.m. on January 1, 2010, and all monies remaining in any of the Funds created hereunder may continue to be expended for the purposes set forth herein until completely exhausted.

greenways, riparian areas, adjacent lakes and ponds where they
exist near streams, and the foothills scenic area; some corridors
may include trails, while others might have no trails in order to

linkages between communities and, in some instances, access to
other open space lands. Examples of corridors considered desirable
for preservation include:

St. Vrain River, from Lyons to E. County Line
Left hand Creek, N. Foothills to Longmont
Boulder Creek, from Boulder holdings to E. County Line
Coal Creek, Superior to E. County Line
Rock Creek, S. County Line to Coal Creek
N. Foothills Hwy scenic corridor

Linkages with existing open space or other public lands

Community Buffers -- Areas preserved as open space to separate
communities and maintain community identity, such as

Longmont/Hygiene Buffer
Longmont/Niwot Buffer
Lafayette/Louisville/Broomfield Buffer(s)

Additions to existing open space

Mountain/Wildlife Areas -- These are areas which would expand
mountain park land and/or preserve wildlife movement corridors or
critical habitat areas in the mountains or on the plains, such as

Heil Ranch
Rabbit Mountain
Wetland areas/willow carrs
Wildlife corridors from the Peak to Peak Hwy to the Foothills

The various interests to be acquired in the types of open space
described above include fee title, leases, development rights,
mineral and other subsurface rights, conservation easements, water
rights and water storage rights, rights-of-way, easements, and
options.
