

# Oil & Gas Moratorium

- On Nov. 15 the Board of County Commissioners held a public hearing on *DC-16-0004 Amendments to Oil and Gas Development Regulations*
- Board gave staff direction to further investigate a number of areas and pursue changes to the Draft Oil and Gas Regulations
  - Since this work can not be completed by Nov. 18, when the moratorium was set to expire, the Board extended the moratorium until the end of Jan. 2017
- Today BOCC will formalize this extension and establish a date on which to hold a public hearing regarding the moratorium
  - **Tuesday, December 13 at 11:30 a.m. - BOCC public hearing**
    - Determine status of the moratorium (terminate, extend, how long, etc.)
    - Written testimony only ([oilgascomment@bouldercounty.org](mailto:oilgascomment@bouldercounty.org))
