

Community Development Block Grant-Disaster Recovery - Section 3 Package for Contractors

What is Section 3?

Your contract is being funded by Federal Community Development Block Grant Program (CDBG-DR) funds that Boulder County receives through the U.S. Department of Housing and Urban Development (HUD). These funds are subject to Section 3 of the Housing and Urban Development Act of 1968, which aims to foster local economic development, neighborhood economic improvement, and individual self-sufficiency. The provision requires that recipients of HUD funds, to the greatest extent feasible, provide job training, employment, and contracting opportunities for low- or moderate-income residents in connection with projects and activities in their neighborhoods. The enabling regulations for Section 3 can be found in 24 CFR Part 135.

Section 3 applies to all CDBG-DR Resiliency-funded contracts and subcontracts, and all general CDBG-DR contracts and subcontracts in excess of \$100,000 that are for:

- 1) housing construction and/or rehabilitation (including reduction and abatement of lead-based paint hazards);
- 2) construction-related job training;
- 3) public construction projects; or
- 4) professional and/or clerical services associated with CDBG-DR-funded construction and rehabilitation, such as architectural, engineering, administrative, and payroll services, etc.; or
- 5) ANY contract funded by CDBG-DR Resiliency funds REGARDLESS of contract amount.

Your Basic Responsibilities as a Section 3 Contractor

As a recipient of a CDBG-DR-funded contract compliant per the aforementioned triggers, you must:

1. Document the number of new employment opportunities and the number of construction and public works training positions generated by the CDBG-DR-funded project and whether those positions are filled by Section 3 residents.

Who are Section 3 residents?

In Boulder County, Section 3 residents are public housing residents or persons who have a household income that falls below HUD's income limits. Low- or moderate-income is defined as 80% of the area median income (AMI) or below. HUD's income limits are updated annually every December. Detailed information regarding income limits can be found on HUD's website at: www.huduser.org/portal/datasets/il.html

For Boulder County, the income limits (FY2016) that apply for the majority of this reporting period are listed below. If FY2015 or FY2014 data is needed, please contact the CDBG-DR Unit at Boulder County Housing Human Services.

Household Size	Very Low-Income	Low-Income	Moderate-Income	Non-Low- or Moderate-Income
HH of 1:	\$19,950	\$33,200	\$46,000	\$46,101+
HH of 2:	\$22,800	\$37,950	\$52,600	\$52,601+
HH of 3:	\$25,650	\$42,700	\$59,150	\$59,151+
HH of 4:	\$28,450	\$47,400	\$65,700	\$65,701+
HH of 5:	\$30,750	\$51,200	\$71,000	\$71,001+

HH of 8:	\$40,890	\$62,600	\$86,750	\$86,751+

To document the income of your employees, you should utilize the "**Employee Self-Affirmation Form**" found later in this package. It is not mandatory that employees complete these forms. However, you should explain to your staff the importance of the form and that this information helps the County and your company document compliance with federal regulations.

Community Development Block Grant-Disaster Recovery - Section 3 Package for Contractors

2. Document the number of all Section 3 and non-Section 3 employees already on staff.

What is a Section 3 employee?

A Section 3 employee is either:

- An employee who is currently a Section 3 resident; or
- An employee hired within the past three years, who was a Section 3 resident upon hire, but whose household income/housing status no longer qualifies him/her as a Section 3 resident. Employers may claim credit for these positions for three years after this individual's date of hire.

3. If you have a collective bargaining agreement with any labor organization or other group of workers, send them a notice advising them of your Section 3 requirements. The notice shall set forth the minimum number and job titles subject to hire, availability of apprenticeship and training positions, and the qualifications for each; the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. You must also post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice.
4. Provide adequate notification to Section 3 residents about possible employment and training opportunities that result from the CDBG-DR-funded project. Methods of notifying residents include utilizing local media outlets, prominently displaying signs at the project sites, and/or notifying local community organizations.
5. Submit annual reports that summarize the number of Section 3 new hires, employees, and trainees for each year that your contract is open. A completed "Summary Report Form for Contractors and Subcontractors" (attached) should be returned to the County agency administering your contract in a timely manner and must be submitted annually and at project end, covering each year your contract is open.
6. Maintain the Section 3 employment documentation in your files for a minimum of five years.

Further Responsibilities

Any subcontract in excess of \$100,000 or contract funded by CDBG-DR Resiliency funds that you award as part of this project is also subject to the Section 3 requirements. Accordingly, you must also:

1. Report to the agency administering your contract the number, dollar value, and types of subcontracts awarded.
2. Report whether each subcontractor is a Section 3 Business Concern.

What is a Section 3 Business Concern?

A Section 3 Business Concern is a business that:

- Is 51% or more owned by Section 3 residents;
- Employs Section 3 residents for at least 30 percent of its full-time, permanent staff; or
- Provides evidence of a commitment to subcontract to Section 3 business concerns, 25% or more of the dollar amount of the awarded contract.

Community Development Block Grant-Disaster Recovery - Section 3 Package for Contractors

3. *To the greatest extent feasible*, pursue contracting opportunities with Section 3 business concerns, in the following order of priority:
- I. business concerns that are 51% or more owned by residents of the housing development at which the work is performed, or whose full-time, permanent workforce includes 30% of these persons as employees; or
 - II. business concerns that are 51% or more owned by residents of Boulder County's public housing development(s) other than the housing development where the work is to be performed; or whose full-time permanent workforce includes 30% of these persons as employees.

Your compliance with these requirements is essential to the County meeting its federally mandated Section 3 goals, which are, on a calendar year basis:

- **30% of all new hires on applicable projects will be Section 3 residents; and**
- **10% of the total dollar amount of all contracts' building trades work will be with Section 3 Business Concerns; and**
- **3% of the total dollar amount of all other applicable contracts per calendar year will be with Section 3 Business Concerns.**

Your Section 3 information will be aggregated and reported to HUD on a countywide basis. HUD reviews the County's annual reports, investigates complaints, and reserves the right to monitor the performance of the County's contractors. In the event of a monitoring, HUD will examine employment and contract records for evidence of actions taken to train and employ Section 3 residents and to award contracts to Section 3 businesses.

Specifically, HUD will review:

- Whether all contracts awarded by the HUD grantee contain the required Section 3 clause in all applicable contracts (exact language can be found in the "*Section 3 Definitions*" section);
- The number of Section 3 training opportunities coordinated by the HUD grantee;
- Whether 30% of all new hires by contractors were "Section 3 residents"; and
- Whether at least 10% of the total dollar amount of all contracts' building trades work and three percent (3%) of the total dollar amount of all other applicable contracts were awarded consistent with the requirements of being a "Section 3 Business."

New Requirement: If an agency does not meet the three minimum numerical goals for the reporting period, an explanation regarding best efforts is required.

Section 3 Complaint Policy

If you have a complaint about the County's Section 3 process, you can direct it to the agency overseeing your contract. However, complaints may also be directed to HUD's Colorado Office:

U.S. Dept. of Housing and Urban Development
1670 Broadway St • Denver, CO 80202-4801
(800)-225-5342 • TTY (800) 877-8339

A written complaint should contain the name and address of the person filing the complaint; name and address of subject of complaint (HUD recipient, contractor or subcontractor); a description of acts or omissions in alleged violation of Section 3; and a description of the corrective action sought. Complaints must be filed no later than 180 days from the date of the action or omission upon which the complaint is based.

The County will provide a timely response to every citizen complaint. The response will be provided within 15 working days of the receipt of the complaint, if practicable.
