## PROPERTY INFORMATION

- Be prepared for trails that have no shade or shelter. Afternoon thunderstorms and lightning are common during summer months.
- Respect the seasonal wildlife closure for nesting osprey on the west side of Lagerman Reservoir from April 1 – August 31.
- Float tubes and motorized boats (up to 7.5 horsepower and restricted to wakeless speeds) are permitted. State boating laws apply. Sailboats and sailboards are not allowed.

Anglers, equestrians, birdwatchers, and hikers enjoy spending time at Lagerman Agricultural Preserve.
