### NOTICE OF POSAC SITE VISIT

The September Parks and Open Space Advisory Committee (POSAC) meeting has been cancelled. Instead, POSAC will attend a site visit on Thursday, September 28, 2017 to tour flood restoration work along the South St. Vrain Creek (primarily at Hall Meadows), and Reach 3, located between US 36 and Crane Hollow Road. County vans will leave promptly from the Boulder Courthouse parking lot, located at 14<sup>th</sup> & Spruce in Boulder, at 5:00 p.m. and from the Parks & Open Space office, 5201 St. Vrain Road in Longmont, at 5:00 p.m. The site visit is expected to take approximately 2.5 hours. Food will be available on the tour.

**Transportation will be provided to the tour locations; however, public seating is limited and RSVPs are required for public attendance. For more information and to RSVP for the tour, interested parties may call Jeff Moline at 303-678-6270 by September 26.**

This site visit will not provide an opportunity for formal public comment, and there are no agenda items related to the South St. Vrain Creek Restoration or Reach 3 flood recovery projects planned to come before POSAC for a vote. *Please note, the project areas are currently closed to the public for safety and environmental concerns, and members of the public are not allowed to enter either site without permission from Parks & Open Space. Attendees are asked to wear suitable attire for a construction site, including closed-toe shoes.*

Additional information about these projects can be found at:
