RESOURCE	ORGANIZATION & PROGRAM	DESCRIPTION
<b>Information about Early Childhood Development</b>	<p><b>CDC Parents</b>  <a href="http://www.cdc.gov/parents">http://www.cdc.gov/parents</a>            1-800-232-4636</p>	<p>Guides parents and their children in leading a healthier life by providing helpful advice, resources, videos, interactive activities, and more.</p>
	<p><b>Center on the Social and Emotional Foundation for Early Learning</b>  <a href="http://csefel.vanderbilt.edu/resources/family.html">http://csefel.vanderbilt.edu/resources/family.html</a></p>	<p>The Center on the Social and Emotional Foundations for Early Learning (CSEFEL) is a national resource center for disseminating research and evidence-based practices to early childhood programs across the country. CSEFEL is focused on promoting the social emotional development and school readiness of young children birth to age 5. To support this goal, they have developed a conceptual model of evidence-based practices for promoting young children's social emotional competence and preventing and addressing challenging behavior.</p>
	<p><b>Center on the Developing Child at Harvard University</b>  <a href="http://developingchild.harvard.edu/resources">http://developingchild.harvard.edu/resources</a>            617-496-0578</p>	<p>Provides educational videos, presentations and reports on the importance of early childhood development, brain development, coping with early adversity, mental health and more. Dedicated to helping parents succeed and to building a more promising future for young children and families. Part of the resource is translated into Spanish and Portuguese.</p>
	<p><b>Healthy Children</b>  <a href="http://www.healthychildren.org">http://www.healthychildren.org</a>            847/434-4000</p>	<p>An award-winning website developed by American Academy of Pediatrics (AAP) for parents, committed to the attainment of optimal physical, mental, and social health and well-being for all children. This site has thousands of articles in English and Spanish on children's health and safety as well as interactive tools like symptom checker, ask the pediatrician, and find a pediatrician service.</p>
	<p><b>PBS Parents</b>  <a href="http://www.pbs.org/parents/child-development">http://www.pbs.org/parents/child-development</a></p>	<p>Provides parents insights on the age-by-age stages of growth for children.</p>
	<p><b>Vroom</b>  <a href="http://www.joinvroom.org">http://www.joinvroom.org</a></p>	<p>Provides parents and caregivers with ways to boost early learning.</p>
	<p><b>Zero-to-Three</b>  <a href="https://www.zerotothree.org">https://www.zerotothree.org</a>            202-638-1144</p>	<p>Provides helpful resources and practical tools (e.g., Caregiver-Parent Communication Tool) to parents to ensure that all infants and toddlers have a strong start in life. Founded by leading researchers and clinicians in diverse disciplines focused on child development.</p>
<b>Quality Early Learning &amp; Preschool Options</b>	<p><b>CCCAP</b>  <a href="http://www.coloradoofficeofearlychildhood.com/cccap-parents">http://www.coloradoofficeofearlychildhood.com/cccap-parents</a>            1575 Sherman ST, Denver, CO 80203            1-800-799-5876</p>	<p>The Colorado Child Care Assistance Program (CCCAP) helps low-income families that are homeless, working, searching for work or in school to find child care assistance. Families that are enrolled in the Colorado Works Program can also use CCCAP services.</p>
	<p><b>Colorado Shines</b>  <a href="http://coloradoshines.force.com/ColoradoShines">http://coloradoshines.force.com/ColoradoShines</a>            1575 Sherman ST, Denver, CO 80203            844-447-4441</p>	<p>Colorado Shines is a quality rating and improvement system that monitors and supports early learning programs. Its primary functions are to help participating child care programs and professionals improve their quality through assessment, training and tools, and to connect Colorado families with quality child care. Families can use this site to search for quality early learning and preschool options.</p>

# A Guide for Families Seeking Additional Support for Their Child's Development
