NOTICE OF POSAC SITE VISIT

The Boulder County Parks and Open Space Advisory Committee (POSAC) will meet on March 22, 2018 for a demonstration of e-bikes. Local vendors will provide different classes of e-bikes to try out.

POSAC members and county staff will meet at 5:00 p.m. at Eben G. Fine Park, 101 Arapahoe Ave, Boulder. Vendors will set up in the small parking lot on the east end of the park. Due to the small size of the parking lot, attendees should park on Arapahoe Avenue on the south side of the park. Attendees can test ride the e-bikes west along the Boulder Creek path and onto the Boulder Canyon Trail, a wide dirt path with a mild uphill grade. The demonstration will end at 6:00 p.m.

Staff will provide an update about the public process for the next phase of policy development at the POSAC meeting on March 22nd.

Staff plan to hold an open house in June to solicit input on the staff recommendation, followed by public hearings with POSAC and the Board of County Commissioners. More information can be found here: <https://www.bouldercounty.org/open-space/management/e-bikes/>
