

LEE HILL DRIVE D/ DEER TRAIL RECONSTRUCTION PROJECT MAP

LEE HILL CULVERT REPLACEMENT PROJECT

Preliminary Closure Dates

*** subject to change due to weather or other factors ***

MAY 2018

Boulder County Transportation needs to close Lee Hill Drive from Olde Stage Road to Deer Trail Drive for six weeks in June and July to replace the large culvert carrying Six Mile Creek under the road.

We are currently planning to close the road every week, 24-hours a day, from 7:00 AM Monday until 6:00 PM on Thursday. Closures will start Monday June 11 and run through Thursday July 26. Work may be extended up to August 9, only if absolutely necessary. There will be no closures on the week of July 2.

Local traffic will be able to access their properties from either side of Six Mile Creek but there will be no access across the creek itself. Emergency response vehicles will be allowed across the closure. Bicycles will be prohibited on Lee Hill Drive during the closure due to safety concerns related to the increased traffic north of Six Mile Creek.

All changes to the closure schedule, including the projected completion date will be posted to the County website and distributed on the project email list.

For closure updates, send contact information to abarth@bouldercounty.org or call 303 441-1032.

Closure Plan (subject to change)

MONDAY 7:00 AM thru THURSDAY 6:00 PM
