NOTICE OF POSAC PUBLIC MEETING AND SITE VISIT

The Boulder County Parks & Open Space Advisory Committee (POSAC) will attend a site visit on Thursday, December 6. The field visit will begin at 9 a.m. at the Eldorado Canyon State Park Visitor Center. There will be a short presentation by staff in the conference room followed by an out and back hike along a portion of the existing Eldorado Canyon Trail and then of the Rattlesnake Gulch Trail. The field visit will be led by representatives from Boulder County Parks and Open Space, City of Boulder Open Space and Mountain Parks, and Colorado Parks and Wildlife.

The purpose of the field visit is for board members to view portions of the conceptual alignments for each the North and South route options under consideration to complete a multi-use trail between Eldorado Canyon State Park and the Boulder County Walker Ranch Open Space. Participants should be prepared for a moderately strenuous hike including steep uphill and downhill terrain and potential inclement weather.

For those unable to participate in the scheduled field visit, the route may also be walked as a self-guided tour. Information and maps to enable a self-guided tour will be posted on the [project website](#) prior to Dec. 6. In addition, a virtual tour of the entire South and North routes are available on the project website.

Members of the public wishing to accompany committee members on the site visit can sign up by contacting Marni Ratzel at mratzel@bouldercounty.org.

This meeting will not provide an opportunity for formal public comment. Instead, members of the public are invited to give input by attending the POSAC public hearing on the matter on January 24 in the Commissioners' Hearing Room on the third floor of the Boulder County Courthouse, 1325 Pearl Street, Boulder, Colorado, or by sending comments via the web page: <https://www.bouldercounty.org/open-space/management/eldo-walker-connection/>
