23. Third Party Beneficiary: The enforcement of the terms and conditions of this Contract and all rights of action relating to such enforcement shall be strictly reserved to BCPH and the Contractor, and nothing contained in this Contract shall give or allow any claim or right of action whatsoever by any other or third person. It is the express intent of the parties to this Contract that any person receiving services or benefits under this Contract shall be deemed an incidental beneficiary only.

24. Conflict of Provisions: In the event of any conflict between the terms of this Contract and the terms of any attachments or addenda, the terms of this Contract shall control.

25. Governmental Immunity: Nothing in this agreement shall be construed in any way to be a waiver of BCPH's immunity protection under the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et seq., as amended.

26. Representations and Warranties: Contractor represents and warrants the following to BCPH, as a material inducement to the Owner to execute this Contract, which representations and warranties shall survive the execution and delivery of this Contract, any termination of this Contract, and the final completion of the work. 27. Execution by Counterparts; Electronic Signatures: This Contract may be executed in two or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. The Parties approve the use of electronic signatures for execution of the Contract and to officially bind the Parties to this Contract, provided that the electronic signatures are in either of the following two formats: (1) electronic or facsimile delivery of a fully executed copy of a signature page; or (2) the image of the signature of an authorized signer is inserted onto PDF format documents. All documents must be properly notarized, if required. All use of electronic signatures shall be governed by the Uniform Electronic Transactions Act, C.R.S. §24-71.3-101 to -121.

28. Limitation on Public Statements and Lobbying Activity. 2.3 **Violations of Law.** Business Associate may use PHI to report violations of law to appropriate authorities consistent with 45 CFR § 164.502(j)(1).

3. OBLIGATIONS AND ACTIVITIES OF BUSINESS ASSOCIATE.

3.1 **Compliance with HIPAA Standards.** Business Associate shall comply with all provisions of the HIPAA Standards applicable to Business Associate, this Agreement, and other applicable law.

3.2 **Non-disclosure.** Business Associate shall not use or disclose PHI other than as permitted or required by this Agreement or as required by law (collectively "permitted disclosures"). All permitted disclosures shall be made in strict compliance with the HIPAA Standards. Any use or disclosure of PHI that is not a permitted disclosure, including but not limited to any breach of unsecured PHI, shall be considered an "unauthorized use or disclosure" for purposes of this Agreement.

3.3 **Safeguards.** Business Associate agrees to use appropriate safeguards to prevent the use or disclosure of PHI other than as permitted by this Agreement. Business Associate will document and keep all such safeguards current.

3.4 **Mitigation.** Business Associate agrees to mitigate, to the extent practicable, any harmful effect, known to Business Associate, of any unauthorized use or disclosure.

3.5 **Reporting.** Business Associate agrees to report to the privacy officer of Covered Entity any unauthorized use or disclosure of PHI of which Business Associate becomes aware. The initial report shall be made by telephone call to the privacy officer of Covered Entity within seventy-two (72) hours after discovery by Business Associate of such unauthorized use or disclosure. The initial report shall be followed by a written report to the privacy officer, which shall be made as soon as reasonably possible but in no event more than five (5) business days after discovery by Business Associate of such

unauthorized use or disclosure. This reporting obligation shall include unauthorized uses or disclosures by Business Associate, its employees, subcontractors, and/or agents. Each such report of an unauthorized use or disclosure will:

3.6 **Agents and Subcontractors.** In accordance with 45 CFR § 164.308(b)(2) and 164.502(e)(1)(ii), Business Associate agrees to ensure that any agent or subcontractor that creates, receives, maintains, or transmits PHI on behalf of Business Associate agrees, in writing, to the same restrictions and conditions that apply to Business Associate through this Agreement with respect to such information (“Subcontractor Agreement”).

If Business Associate knows or has reason to know of a pattern of activity or practice of a subcontractor that constitutes a material breach or violation of the subcontractor’s obligations under the Subcontractor Agreement, Business Associate shall take reasonable steps to cure the breach or end the violation, as applicable, and, if such steps are unsuccessful:

- (a) Business Associate shall terminate the Subcontractor Agreement and any related business arrangements between Business Associate and the subcontractor involving the use, disclosure, or creation of PHI, if feasible.
- (b) If such termination is not feasible, Business Associate shall report the situation to Covered Entity and the Secretary.

3.7 **Access.** To the extent Business Associate maintains a designated record set, Business Associate shall provide access to PHI it maintains in the designated record set to Covered Entity or, as directed by Covered Entity, to an individual or another person properly designated by the individual, within five (5) days of receiving a written request from Covered Entity in order to meet the requirements of 45 CFR § 164.524. If Business Associate maintains PHI electronically in a designated record set and if the individual requests an electronic copy of such information, Business Associate shall provide Covered Entity, or the individual or person properly designated by the individual, as directed by Covered Entity, access to the PHI in the electronic form and format requested by the individual, if it is readily producible in such form and format; or if not, then in a readable electronic form and format as agreed to by Covered Entity and the individual. If Business Associate receives a request for access to PHI directly from an individual, Business Associate shall notify Covered Entity of the request in writing within one (1) business day.

3.8 **Amendments.** To the extent Business Associate maintains PHI in a designated record set, Business Associate shall make any amendment(s) to PHI in the designated record set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526 within five (5) days of receiving a written request from Covered Entity. Business Associate shall make any such amendment only by appending the amendment to the PHI in the designated record set, and under no circumstance shall PHI be deleted from the designated record set as part of the amendment process. If Business Associate receives a request for an amendment to PHI maintained in a designated record set directly from an individual, Business Associate shall notify Covered Entity of the request in writing within one (1) business day.

3.9 **Records.** Business Associate shall make its internal practices, books, and records relating to the use and disclosure of PHI received from or created or received by Business Associate on behalf of Covered Entity available to Covered Entity or to the Secretary during regular business hours within five (5) business days of receiving a written request, or sooner if requested by the Secretary, for purposes of the Secretary determining Covered Entity's or Business Associate's compliance with the HIPAA Standards.

3.10 **Accounting of Disclosures.** Business Associate shall document such disclosures of PHI made by Business Associate, its employees, subcontractors, or agents and information related to such disclosures as are required for Covered Entity to respond to a request by an Individual for an accounting of disclosures in accordance with 45 CFR § 164.528, including:

- (a) The date of the disclosure.
- (b) The name and address (if known) of the person or entity who received the disclosure.
- (c) A brief description of the PHI disclosed.
- (d) A brief statement of the purpose of the disclosure or a copy of the consent to the disclosure signed by the individual to whom the PHI relates.

Business Associate agrees to provide Covered Entity or, at Covered Entity's request, an individual within five (5) business days of receiving a written request from Covered Entity, information collected in accordance with this Section to permit Covered Entity to respond to a request by an individual for such an accounting of disclosures. If Business Associate receives a request for an accounting of disclosures of PHI directly from an individual, Business Associate shall notify Covered Entity of the request in writing within one (1) business day. Additionally, as of the compliance date set forth in the relevant regulations, if Business Associate makes disclosures of PHI through an electronic health record, Business Associate shall account for all such disclosures in accordance with the HITECH Act and any future regulations promulgated thereunder.

3.11 **Trading Partner" Provisions: Use and Disclosure in Connection with Standard Transactions.** If Business Associate conducts Standard Transactions (as defined in 45 CFR Part 162) for or on behalf of Covered Entity, Business Associate will comply and will require each subcontractor or agent involved with the conduct of such standard transactions to comply with each applicable requirement of 45 CFR Part 162. Business Associate will not enter into, or permit its subcontractors or agents to enter into, any trading partner agreement in connection with the conduct of standard transactions for or on behalf of Covered Entity that:

- (a) Changes the definition, data condition, or use of a data element or segment in a standard transaction
- (b) Adds any data elements or segments to the maximum defined data set.
- (c) Uses any code or data element that is marked "not used" in the standard transaction's

implementation specification or is not in the standard transaction's implementation specification.

- (d) Changes the meaning or intent of the standard transaction's implementation specification.

3.12 **Prevention of Identity Theft.** If Business Associate is a service provider, as defined above, Business Associate shall perform all services and conduct all activities under the Service Agreement and this Agreement in accordance with reasonable policies and procedures which are designed to identify, prevent, and mitigate identity theft in accordance with the standards established by the Red Flag Rules and other applicable law. Business Associate shall provide its identity theft policies and procedures to Covered Entity upon request. Business Associate's failure to establish the policies required by this Section, or to conform to its conduct to such policies, shall constitute a material breach of this Agreement and the Service Agreement.

3.13 **Security of Electronic Data.** If PHI is transmitted to or maintained by Business Associate in electronic format, Business Associate agrees to:

- (a) Develop, implement, maintain, and use administrative, technical, and physical safeguards that reasonably and appropriately protect the integrity, confidentiality, and availability of the electronic PHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity and to comply with all applicable provisions of Subpart C of Part 164 of the Security Rule.
- (b) Ensure that any agent or subcontractor to whom Business Associate provides electronic PHI agrees to implement reasonable and appropriate safeguards to protect such PHI.
- (c) Report to Covered Entity any security incident of which Business Associate becomes aware. Notwithstanding the foregoing, Business Associate and Covered Entity acknowledge the ongoing existence and occurrence of attempted but unsuccessful security incidents that are trivial in nature, such as pings and port scans, and Covered Entity acknowledges and agrees that no additional notification to Covered Entity of such unsuccessful security incidents is required. However, to the extent that Business Associate becomes aware of an unusually high number of such unsuccessful security incidents due to the repeated acts of a single party, Business Associate shall notify Covered Entity of these attempts and provide the name, if available, of said party. At the request of Covered Entity, Business Associate shall identify the date of the security incident, the scope of the security incident, Business Associate's response to the security incident, and the identification of the party responsible for causing the security incident, if known.

3.14 **Minimum Necessary.** Business Associate will make reasonable efforts, to the extent practicable, to limit requests for and the use and disclosure of PHI to a "limited data set" (as defined in 45 CFR § 164.514(e)(2)) or, if needed by Business Associate, to the minimum necessary PHI to accomplish the intended purpose of such use, disclosure, or request, and as applicable, in accordance with the regulations and guidance issued by the Secretary on what constitutes the minimum necessary for Business Associate to perform its obligations to Covered Entity under this Agreement or as required by law.

3.15 **Data Ownership.** Business Associate acknowledges that all right, title, and interest in and to any PHI furnished to Business Associate vests solely and exclusively with Covered Entity or the individual to whom such PHI relates.

3.16 **Delegated Obligations.** To the extent Business Associate is delegated to carry out Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such delegated

obligations.

4. QUALIFIED SERVICE ORGANIZATION.

4.1 **Federal Alcohol and Drug Abuse Confidentiality Regulation.** Some of the PHI may also be protected by the Federal Alcohol and Drug Abuse Confidentiality Regulations, 42 CFR Part 2 (“Part 2”).

4.2 **Confidentiality Agreement.** Business Associate, also known as a Qualified Service Organization pursuant to Part 2 (42 CFR § 2.11), acknowledges that in receiving, storing, processing, or otherwise dealing with any PHI from or for Covered Entity:

- (a) It is fully bound by Part 2, as it would apply to Covered Entity.
- (b) If necessary, will resist in judicial proceedings any efforts to obtain access to PHI, covered by Part 2, except as permitted by Part 2.

4.3 **Prohibition on Re-disclosure.** Business Associate agrees to ensure that any PHI received from Covered Entity, which is subject to Part 2, will not be re-disclosed to any other person or entity, including an agency or subcontractor that provides services for Business Associate, except as may be permitted by Part 2.

5. OBLIGATIONS OF COVERED ENTITY.

Covered Entity shall make available to Business Associate upon request Covered Entity’s notice of privacy practices, any relevant privacy policies or other information, and any restrictions on the use or disclosure of PHI voluntarily agreed to by Covered Entity that may impact the permissible uses or disclosures of PHI by Business Associate.

6. TERM AND TERMINATION.

6.1 **Term.** The term of this Agreement shall commence on the effective date and shall terminate when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is not feasible to return or destroy the PHI, protections are extended to such information, in accordance with the termination provisions in this Section.

6.2 **Termination for Cause.** Upon Covered Entity’s reasonable determination that Business Associate has breached a material term of this Agreement, Covered Entity shall be entitled to do any one or more of the following:

- (a) Give Business Associate written notice of the existence of such breach and give Business Associate an opportunity to cure the breach upon mutually agreeable terms. If Business Associate does not cure the breach or end the violation according to such terms, or if Covered Entity and Business Associate are unable to agree upon such terms, Covered Entity may immediately terminate this Agreement. If termination of this Agreement is not feasible, Covered Entity shall report the breach to the Secretary, to the extent required by law.
- (b) Immediately terminate this Agreement or any other arrangement between Covered Entity and Business Associate which is the subject of such breach.
- (c) Immediately stop all further disclosures of PHI to Business Associate pursuant to the Service Agreement or other arrangement which is the subject of such breach.

6.3 **Termination Without Cause.** This Agreement shall terminate upon any such date as Covered Entity and Business Associate may agree in a writing signed by both parties.

6.4 **Termination of Services.** This Agreement shall terminate upon the termination or expiration of the services provided by Business Associate.

6.5 **Effect of Termination.** Upon termination of this Agreement for any reason, Business Associate shall return to Covered Entity, or destroy upon the prior written consent of Covered Entity, all PHI received, created, received, or maintained in any form by Business Associate on behalf of Covered Entity. Business Associate shall retain no copies of such information. This Section shall also apply to PHI that is in the possession of subcontractors or agents of Business Associate.

- (a) In the event that Business Associate determines that return or destruction of PHI is not feasible, Business Associate shall provide to Covered Entity written notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the parties that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction of the PHI infeasible, for so long as Business Associate maintains such PHI.
- (b) Business Associate shall cooperate with Covered Entity to the extent reasonably necessary for Covered Entity to determine that all PHI has been properly returned, destroyed, or protected upon termination of this Agreement.
- (c) Business Associate's obligations to protect the privacy and security of PHI, as provided in this Agreement, including Business Associate's obligations pursuant to this Section, are continuous and shall survive any termination, cancellation, expiration, or other conclusion of this Agreement or any other agreement between Business Associate and Covered Entity.

6.6 **Business Associate's Termination Rights.** Business Associate shall ensure that it maintains for itself the termination rights in this Section in any Subcontractor Agreement it enters into with an agent or subcontractor.

7. MISCELLANEOUS.

7.1 **Indemnification; Limitation of Liability.** To the extent permitted by law, Business Associate shall indemnify, defend, and hold harmless Covered Entity from any and all liability, claim, lawsuit, injury, loss, expense, or damage resulting from or relating to the acts or omissions of Business Associate in connection with the representations, duties, and obligations of Business Associate under this Agreement. Any limitation of liability contained in any other agreement between the parties shall not apply to the indemnification requirement of this Section. This Section shall survive the termination of the Agreement.

7.2 **Assistance in Litigation.** Business Associate shall make itself and any subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under this Agreement available to Covered Entity, at no cost to Covered Entity, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against Covered Entity, its directors, officers, or employees based upon a claim of violation of the HIPAA Standards or other laws related to security and privacy by Business Associate.

7.3 **Relationship of the Parties.** In the performance of the work, duties, and obligations described in this Agreement, the parties acknowledge and agree that each party is at all times acting and performing as an independent contractor, and at no time shall the relationship between the parties be construed as a partnership, joint venture, employment, principal/agent relationship, or master/servant relationship.

7.4 **Scope of Agreement.** This Agreement relates only to the use, disclosure, and protection of PHI if it is disclosed to, created, or received by Business Associate in connection with the services provided to Covered Entity and identified in Attachment A. This Agreement is the sole understanding between the parties relating to such matters and supersedes all prior agreements and understandings, whether oral or written. Nothing herein shall require Covered Entity to disclose any PHI to Business Associate for such services or to utilize any service of Business Associate. Nothing herein requires Business Associate to accept any PHI or to provide any particular services beyond those specified in Attachment A.

7.5 **Assignment.** No assignment of this Agreement or of the rights and obligations hereunder by any party shall be valid without the prior written consent of the other party. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and each of their respective successors, heirs, and permitted assigns, if any.

7.6 **Severability.** In the event that any one or more of the provisions of this Agreement shall for any reason be held to be invalid, illegal, or unenforceable, the remaining provisions of this Agreement shall not be affected thereby.

7.7 **Waiver and Breach.** The waiver by either party of a breach or violation of any provision of this Agreement shall not operate as, or be construed to be, a waiver of any subsequent breach of the same or other provisions hereof.

7.10 **Governing Law/Construction.** This Agreement shall be governed by applicable federal law and the laws of the State of Colorado, without regard to conflict of laws principles. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits Covered Entity and Business Associate to comply with the HIPAA Standards and with any Colorado laws relating to the confidentiality of individual health information that are not preempted by the HIPAA Standards. In the event that the HIPAA Standards impose any additional or more rigorous limitations on disclosures and uses of PHI by Business Associate, then this Agreement shall be read to comply with those higher standards. To the extent any provision of this Agreement is contrary to or inconsistent with any provision in any other agreement between the parties, the provision in this Agreement shall govern.
