minus SH-119 commitment:	-5,000,000
minus SH-7 commitment:	-1,790,000
Available Funds for call:	$15,308,000

SUBREGIONAL POOL PROCESS

By December 31:
1-page abstract for each project due to TIP technical group

First week January:
"Early read" of all projects by technical committee

February 27:
Applications due

March:
Scoring by the local agency review panel

Early April:
Recommendation on the subregional projects by the Forums to DRCOG

Additional Scoring Criteria

Small Communities	Prioritize projects in small communities so they can compete
Regional Connections	Prioritize projects that help the most people, traveling longer distances, connecting multiple communities
Multimodal	Prioritize transit, bike, ped and TDM projects. Prioritize projects that shift trips to non-SOV to achieve our goals
Safety	Prioritize projects that reduce severe and fatal crashes
Technology	Prioritize a countywide study that helps prepare Boulder County local agencies for the AV/EV/Mobility as a Service revolution!

See Exhibit A for full details

ADDITIONAL SCORING CRITERIA

QUESTION: Should we limit the number of applications one agency can submit?

      -Total project request should be double the available funding

      -All projects will have to be scored by all agencies

Action needed: Adoption of the Additional Scoring Criteria

THANK YOU!
