

**Healthy Futures Coalition- Partnering to Reduce Substance Abuse
Boulder County**

Vision: Boulder County is a thriving community of youth and adults making choices not to abuse substances.

Mission: Prevent and reduce youth substance use, adult substance abuse and harmful impacts of the community by collectively mobilizing resources and partnerships throughout Boulder County to create informed and healthy community attitudes towards drugs and alcohol.

Collective Impact: Common agenda; continuous communication; backbone support; mutually-reinforcing activities; shared measurement systems.

Next Meetings:

- **December 12th from 4-6pm at the Longmont Chamber of Commerce conference room** (528 Main St., Longmont, CO)
 - The conference room is just inside the east doors on the left, or if entering from Main Street it is all the way at the end of the long hallway on the right. Parking is available on a first-come-first-serve along the streets and in the lot at 6th and Kimbark. Plan 10-15 minutes of extra time for parking because our block has a lot of popular restaurants that make parking scarce in the evenings.
- **January 9th from 12-2pm at Boulder County Public Health Sundquist Building** (3482 Broadway St., Boulder, CO)
