

# Medicare Basics Classes

Our **Medicare class** provides an educational overview of the Medicare basics. Learn more about **Original Medicare, Medicare Advantage, Medicare Supplement (Medigap) plans, prescription drug coverage**, and available resources in Boulder County. This is a good first step before you start to compare plans and choose one that's right for you. It's good to prepare before you turn 65! No cost, but donations are appreciated!

**Have you been unable to attend a daytime class? Join us for an evening class and learn more about Original Medicare, Medicare Advantage, Medicare Supplement plans, and prescription drug coverage.**
