### NOTICE OF POSAC SITE VISIT

The Boulder County Parks & Open Space Advisory Committee (POSAC) will attend a raptor tour on Thursday, June 27, 6:30 – 8:30 p.m. This site visit will be in place of the June POSAC meeting.

The Parks & Open Space program supports bald eagles, golden eagles, burrowing owls, osprey, red-tail hawks, and many other raptors that nest on our open space properties. These species are valuable wildlife. Our program is required to manage these species according to state and federal regulations, which means protecting them when they choose to nest along open space trails, in forestry treatment areas, and around agricultural operations. Staff will show POSAC some of the easily visible raptor nests and explore the complexities of managing these on open space.

POSAC members and staff will leave promptly at 6:30 p.m. from the parking lot of the Boulder County Courthouse, 1325 Pearl Street, Boulder. Members of the public wishing to accompany committee members on the site visit should contact Susan Spaulding at 303-579-8984 or [sspaulding@bouldercounty.org](mailto:sspaulding@bouldercounty.org) by Wednesday, June 26. Seating is limited, but the public will also be allowed to follow in their own vehicles.

This tour is for informational purposes only and will not provide an opportunity for formal public comment. There are no agenda items related to raptors that are planned to come before POSAC for a vote.
