Site applications to host “Prevention and Education Specialist” positions are now open, closing May 27th! Applying is easy and we’re eagerly searching for new community partners. Email dane@coloradocorp.org to learn more about what it means to work with CORP and to start the application process.
 - BCPH Youth Advisory Team update (BCPH Youth Advisors)
 - The youth advisory team is working hard to create a smooth transition as they leave their positions. Katia is moving to be closer to MSU and Anna is going to Washington D.C. for a summer internship and to attend George Washington University in the fall.
 - During the meeting we celebrated their hard work by sharing a summary of what the youth advisory team accomplished since August 2018. YAT engaged in 17 presentations at various schools, youth-serving

organizations, community events and organization meetings. Through these presentations they reached over 630 youth and adults across Boulder County. In the past few months, they did their first presentation via video conference and rose to the challenge of adapting an hour-long presentation to a 25-minute time frame. During the meeting, we passed around cards for Katia and Anna to send our best wishes as they move on to their next chapter.

- We will send out the application information for the youth advisor position as soon as it is posted on the Boulder County website. We encourage you all to share it with any young people you know who are:
 - 16 or older AND
 - Live, work, or attend school in Boulder County.
 - The applications have to be submitted online using Boulder County's system, so we highly recommend providing support as young people complete the application.
 - If you have any questions, please contact Daiszha Cooley at dcooley@bouldercounty.org.
 - Coalition Commitment Agreement (Audrey)
 - Please sign and return a Coalition Commitment Agreement (attached to email and saved in the [google drive](#)) if you would like to be considered a "full member" of HFC. A full HFC membership means that a representative from your organization will be able to vote on HFC matters.

 - We will celebrate the first joint meeting the current Healthy Futures Coalition and our new Healthy Futures Youth Coalition with a picnic at Waneka Lake.
