SAFER AT HOME Checklist for Retail

This checklist is intended to help businesses comply with the Colorado Safer at Home Order and other applicable orders.

- Compliance with all public health orders is mandatory.
- Use of this checklist is voluntary.
- Completion of this checklist does not assure compliance but may be asked for as supporting documentation in cases of compliance investigations.
- Businesses are encouraged to share the completed version of this checklist with employees and post it for the public.

This checklist includes but is not limited to:

- Appliance stores
- Customer-facing financial institutions
- Thrift shops
- Apothecaries
- Vape and cigar shops (for retail only, not on-site consumption)
- Craft stores
- Sporting goods retailers
- Boutiques
- Motor vehicle dealerships
- Liquor stores
- Marijuana dispensaries
- Large retail, department, discount, or outlets stores, provided that the entrance/exit opens to the outdoors and not an indoor common hallway and small retail stores

This section does not include: Indoor malls.
Workplace Requirements

Curbside pick-up and delivery

- Offer goods through delivery service, window service, walk-up service, drive-through service, drive-up service, curbside delivery, or any other manner allowing for strict compliance with mandatory social distancing requirements
- Elevate and increase frequency of cleaning practices, including sanitization of high touch areas. See additional guidance
- Restrict return policy to only items that can be properly sanitized prior to re-selling
- Conduct daily temperature checks and monitor symptoms in employees, logging all results. Refer symptomatic employees to the CDPHE Symptom Tracker. See additional guidance

- Contactless signatures for deliveries
- Post signage for employees and customers on good hygiene and other sanitation practices. See additional resources
- Provide a staging area outside for hands-free pick-up

Open with restrictions

- Continue implementing all of the above.
- Open at 50% capacity and/or at a capacity that enables the retailer to:
  - Maintain 6-foot distancing between customers and employees,
  - Effectively symptom monitor employees,
  - Provide face coverings or masks and gloves as necessary to appropriate employees, and
  - Ensure ability to adequately clean and sanitize both back-room and retail spaces. If unable to meet this requirement, continue operating with curbside pick-up/delivery only
- Install protective plexiglass screens at checkout counters
- Provide dedicated in-store visit hours for people at higher risk of severe illness from COVID-19, as possible
- Post signs at entrances notifying customers to STOP if they are sick and ask them not to enter store
- Restrict return policy to only items that can be properly sanitized prior to re-selling
- Conduct daily temperature checks and monitor symptoms in employees, logging all results. Refer symptomatic employees to the CDPHE Symptom Tracker. See additional guidance
- Increase the availability of hand sanitizer, wipes and cleaning of frequently touched surfaces (including baskets/carts) for both employees and customers
- Disallow sampling and customers access to bulk-bin options
- Apply floor decals in cashier and queuing areas to establish safe waiting distance
- Close public seating areas
- Establish one-way traffic flow through aisles
- Continue contactless signatures for deliveries
- Post signage for employees and customers on good hygiene and other sanitation practices. See additional resources
Employee-Related Requirements

Curbside pick-up and delivery

- Provide guidance and encouragement on maintaining 6-foot distancing between employees
- Wear gloves and face coverings or masks during customer interactions and whenever possible during other work activities. See additional guidance
- Provide appropriate face coverings and gloves to all employees whenever possible, and also allow employees who can to provide their own appropriate face coverings and gloves for work activities. Employees without face coverings shall not perform tasks that require engagement with the public or with other coworkers.
- Encourage virtual payments and minimize exchanges of debit/credit and identification cards except as required by law
- Encourage frequent breaks to wash hands
- Require employees to stay home when showing any symptoms or signs of sickness
- Provide PPE for employees who are managing deliveries, returns, etc.

Open with restrictions

- Provide guidance and encouragement on maintaining 6-foot distancing between employees

- Continue to encourage virtual payments and minimize exchanges of debit/credit and identification cards except as required by law
- Encourage frequent breaks to wash hands
- Require employees to stay home when showing any symptoms or signs of sickness

Customer-Related Requirements

- Implement 6-foot distancing measures (i.e., marked space in check-out lines) and use signage to encourage distancing while in the store. See additional resources
- Create signage encouraging people at higher risk of severe illness from COVID-19 to refrain from shopping outside of dedicated hours set aside for those who are at higher risk of severe illness from COVID-19
- Create signage to encourage the use of face coverings or masks and gloves. See additional resources
- Make supplies available for customers to participate in sanitizing surfaces and touched objects

Suggested Best Practices

- Establish curbside and delivery services in accordance with the Boulder County Public Health Curbside and Delivery Checklist
- If possible, use every other check-out lane to aid in distancing
- Place a staff person at all entrances to ensure the number of people inside does not go above the location’s capacity to maintain social distancing requirements.
- Separate payment areas from delivery areas to prevent customers from gathering.
- Offer “By Appointment Only, No Walk-Ins” services
- Shift primary stocking activities to off-peak or after hours when possible to reduce contact with customers.
