

Medicare Basics Classes

Our **Medicare class** provides an educational overview of the Medicare basics. Learn more about **Original Medicare, Medicare Advantage, Medicare Supplement (Medigap) plans, prescription drug coverage, and available resources in Boulder County.** This is a good first step before you start to compare plans and choose one that's right for you. It's good to prepare before you turn 65! No cost, but donations are appreciated!

July – December 2020
