Does this person have one or more of the COVID-19 symptoms listed above?

- Yes
- No

Are these symptoms of a new or worsening chronic condition, or is it accompanied by a new **Major** or **Minor** symptom?

- Yes
- No

1. Place a surgical mask on the student/staff if safe to do so
2. Assist the student to an area that is separate from others, but within adult line of sight.

All staff assisting ill individuals should wear appropriate COVID-19 PPE and perform frequent hand hygiene and disinfect all environmental surfaces once the person leaves an area.

What is your community level of COVID-19 transmission?

**Low/Minimal Levels of Community Transmission**

Students/Staff with two or more Minor symptoms or one or more Major symptom

1. Call parents and send home. Send staff home.
2. If symptoms worsen or last longer than 48–72 hours, contact your doctor to see if a COVID-19 PCR test is indicated.

**Sustained Community Transmission**

or the ill person lived, worked or traveled to an area with sustained transmission

Students/Staff with one or more Major or Minor symptoms

1. Call parents to pick up ASAP. Send staff home.
2. Call your doctor and ask for a COVID PCR test within 24 hours, if indicated.
