

Heartfelt Thank -You Notes and Artwork from 2019 Family-To-Family Recipients

From Our Family to Yours,
I want to thank you from the bottom of our hearts for your kind generosity. You've truly made our holidays more special. It's families like yours that make this world a better place.

Thank you for your kindness and generosity. Our family has endured a tough and trying year. We were at the point of not being able to pay rent. We knew that gifts for our kiddo was not an option and I've lost sleep wondering what I would say to him on that morning when he came down the stairs to find nothing under the tree. Because of you I won't have to see the hurt in his eyes. Thank you. You have made a difference in our lives.

Thank You! I have been sick and cannot work like I have! You saved my son's Christmas. Thank you!

Thank you for your generosity and kindness to my family and others. This has been a really tough year for us. Thank you for making our Christmas better for our children. I hope to pay it forward one day and help a needy family.

Thank you so much for donating these gift cards so I can buy presents for my kids. I left an abusive husband and am rebuilding a life for me and my children. Thank you and God bless you.

Muchas gracias por ayudar a mi familia por hacer feliz a mis hijas.

Thank you so much for making my holiday. Without people like you, I couldn't get through my family holiday. You made my holiday special for my grandma. Thank you so much. You will never know what that means to me.

Thank you so much for your kindness. This will be our first Christmas in two years in our new home after battling homelessness and escaping unsafe living arrangements prior to that. You are the light in a world that is sometimes dark. And for that we love you!

This is such a blessing to our family. Thank for making this possible for my family. There are rewards coming full circle to you for your selflessness and giving.

Thank you so much! As a mother of two who is striving to work and rise above my circumstances, your help is giving me hope and encouragement to keep going. It helps to get this support during the holidays. Allowing me to see that everything is ok! Thank you!

Thank you for supporting the community and making things a lot brighter for those who need it the most. Happy Holidays!
