### NOTICE OF POSAC SITE VISIT

The Boulder County Parks & Open Space Advisory Committee (POSAC) will attend a site visit on Thursday, September 24. This site visit will be in place of the monthly meeting. POSAC members and staff will meet at a previously assigned area at Carolyn Holmberg Preserve at Rock Creek Farm at 5 p.m. The tour will last approximately 1 hour 45 minutes. Small groups will split up to visit different areas to learn about the projects at each site. Visitors should expect to walk approximately 1.5 – 2 miles in total. Transportation will not be provided to the sites. Children are allowed on the tour.

The tour will provide an opportunity to learn about the Carolyn Holmberg Preserve at Rock Creek Farm Management Plan Update. Members of the public wishing to accompany committee members on the site visit should email Marni Ratzel [mratzel@bouldercounty.org](mailto:mratzel@bouldercounty.org) no later than Tuesday, September 22. Due to current COVID-19 restrictions on crowd size, only people who RSVP will be allowed to attend this site visit. Groups of 10 people or fewer will walk to each site while following social distancing guidelines. Facial coverings will be required. Please bring water, a rain jacket, insect repellent, and sturdy walking shoes.

This meeting will not provide an opportunity for formal public comment. Instead, members of the public are invited to give input by attending the POSAC virtual public hearing on the matter on November 19.
