Press Release

**District Attorney Releases Statement in
Response to Incident in the Hill Area**

District Attorney Michael Dougherty released a statement following the incident in the Hill area in Boulder, “Our community was put at risk last night by the individuals involved in the incident in the Hill area. Their callous disregard for our community’s safety and well-being is shameful. There is no excuse for this conduct, especially while the people of this community endure the pandemic. The District Attorney’s Office will work closely with the Boulder Police Department to determine the identities of the people who damaged private property and assaulted first responders because they should be held fully responsible for their outrageous actions.”
