

Heartfelt Thank-You Notes and Artwork from 2020 Family-To-Family Recipients

I wanted to give you my most heartfelt thanks for your kindness and generosity. I cannot share enough about the joy it bought me to be able to go Christmas shopping for my children. Please know the huge difference you made in our holiday season. Thank you so much!

Thank you from the bottom of my heart. Thank you so very much. It is just myself and my daughter. I do not make much so this ensures that I can actually get her gifts for Christmas. So thank you so much. You have no idea how much this helps. Thank you, thank you, thank you.

I am so grateful for you. I will never meet you, you will never know who I am or my kiddos. But because of you, they will have presents under the tree. May your life and those you love be blessed beyond measure. I hope that you and yours have a wonderful, happy holiday season! Love, ... a completed stranger.

Thank you! It is really hard these days to keep up with daily & monthly living expenses, and with the kids being out of school, and all the other COVID-19 related issues, it is pretty rough to say the least. I just lost my job because of COVID-19, and just before that became the kinship guardian of four kids age 11, 14, 15 & 17. I/we appreciate all the help given. Thank you from the bottom of our hearts. The children will have something this holiday season, something that we could not provide.

Bienaventurados sean los corazones generosos que camparten lo que teinen con los demás.

I want to thank you from the bottom of my heart. Its been rough with my son passing a year ago, raising my grandkids and then COVID. I wish you and your family a very blessed Christmas and New Year.

Our family would like to thank you for helping make the holidays brighter. It has been a tough year for everyone and it is people like you that help things seem better. Happy Holidays from our Family to your Family.

We would like to thank you for all the help. Now I know my kids will have something on Christmas. From the bottom of my heart and my families hearts we want to thank you.

Thank you for all the support! Couldn't have done it without you!!

Thank you for the holiday gift cards! They were very much appreciated. My husband and I are both full time students. The gift cards let us get special things for the baby (almost 17 months now). We're hopeful to finish school soon and be able to pay it forward.

Thank you so much for your generous donation. May God bless your generosity and multiply it 10 times over. My children are forever grateful. Thank you.
