Road Closure
McCaslin Blvd, Coalton Rd to SH 128
September 20 to October 8, 2021

In order to complete a resurfacing project on McCaslin Blvd, the road will be closed to all motorists and bicycles between Coalton Road and State Highway 128. This is a full width resurfacing including the bike lanes. The existing roadway will be milled leaving a dangerous surface for bicyclists and they should stay out of the work zone during both construction and non-construction periods.

The primary detour route is use Coalton Road and Interlocken Loop, but other regional routes are available as shown on the map below.

For any questions contact the Public Works Department at 303-499-3675 or alexa@superiorcolorado.gov.
